

2015 Giving Challenge

EXPLORE NEW POSSIBILITIES IN GIVING

Change their future today!

Texcellence provides over 4,500 students and families with access to computers and the internet outside of the classroom that they otherwise would not have.

58% of Digital Learning Lab (DLL) participants increased their math grades, and **56%** increased their reading grades.

The average grade point increase for DLL participants was **8** points, almost **1** whole letter grade!
