i-Ready™ Parent Training Guide

What is i-Ready Diagnostic & Instruction?

i-Ready Diagnostic & Instruction is an online, interactive learning environment designed to assess students and then provide individualized instruction based on each student's unique needs. The exciting format and engaging content, as well as the Study Buddies and other interesting contemporary characters, draw in students right away. The *i-Ready* experience builds students' investment in their learning by giving them real-time feedback on their progress in each skill. As students complete each assignment successfully, they earn credits that they can use to play games. *i-Ready Diagnostic & Instruction* also provides opportunities to learn both at school and at home.

How can I help my child get the most out of i-Ready Diagnostic & Instruction?

- ◆ Talk with your child about how practicing *i-Ready Diagnostic & Instruction* at home will help prepare for classwork. Also, explain that *i-Ready Diagnostic & Instruction* will show teachers where your child is doing well and which topics need some more review.
- ◆ Encourage your child to use the tools provided during lessons (reference to objectives, key terms, etc.) and to use scrap paper for math computation.
- ◆ Help your child identify and become familiar with the different parts of the student home page (**My Assignments, My Stuff, My Progress**).
- ◆ To help your child get started, see **How Does My Child Navigate i-Ready Diagnostic & Instruction?**
- ◆ Have your child use the **Student Instructions for Completing Online Lessons**
- ◆ Encourage your child to take each lesson and question seriously. Emphasize "think before clicking," because just clicking through will not give an accurate report of what your child knows and is able to do.
- ◆ Discuss your child's results by looking together and the "My Progress" box.

Where can I go to see how my child is performing?

Log in with your child's Username and Password, and view your child's "My Progress" box. Click on "Detail" to see your child's progress by each skill domain and standard.
