Description of how council membership reflects ethnic/racial and socioeconomic community served by the school and of efforts to include them:

The School Advisory Council members are close to reflecting the ethnic/racial community served by the school. SAC always attempts to have no more than a 10 percent difference in the percentage for each minority sub-group as compared to the school. SAC is hopeful to recruit more Hispanic members.

Describe the election process of each group except "other citizens." For this group, describe the selection process.

Teachers are approved by SAC after they volunteer to serve.
