During orientation, incoming freshmen will interact with SHS student ambassadors. Our student ambassadors serve as guides, assisting freshmen as they adjust to the culture and expectations of high school.

REMINDER—All freshmen have to be registered for enrollment at Sarasota High School in order to pick up their class schedules.

SCHEDULE CHANGE PROCEDURES

Our guidance counselors have attempted to meet the course requests for all students; however, some requests were not able to be filled due to class size amendment, number of course sections, etc. Should a student feel that their schedule is incorrect or if a preference has changed, they may see a guidance counselor during schedule pick up on August 9 and during the “first 2 weeks” of school. **Deadline for ALL schedule changes is Friday, August 25.**
