Wild About Florida! This summer's theme is all about discovering fun, friends, and adventure at our local parks, beaches and other recreation or cultural locations. Weather permitting, we will be off site daily, so come prepared with appropriate gear, and be ready for adventure. Weekly activity and field trip schedules will be provided prior to each session and will include one day at the water park, one day at a local beach. The other days we will be exploring state and local parks, museums and more! Swimming, games, nature activities, crafts, teambuilding and outdoor skills are all included. Please note that campers will need to be dropped off by 9am, as field trips will depart typically at 9:30am. Pick up will be available after 3pm. Earlier or later drop off/pick up times will be provided as needed. *Breakfast and lunch will be available through the Summer Food Program.*

Sarasota Youth Sailing

<http://www.sarasotayouthsailing.org/summer-sailing/>

We will be continuing our full day US Sailing Reach-STEM class. Utilizing the sport of sailing, the students will explore science, technology, engineering and math while sailing and exploring Sarasota Bay!

We have expanded our O'Pen Bic fleet to 8 boats and can't wait to get more kids sailing these fun boats! This class is for sailors who are 8 and older and who have completed Opti Level 2 or 420 Level 1. The Bics are a fun singlehanded boat. More info below.

Our summer camp is the longest running water sports camp in Sarasota! Many of our parents/grandparents and instructors grew up in our program.

Our sessions (two week half day or one week full day) are \$350. The July 3-14 session is \$315 since we will not have class on July 4th.

We do offer a limited number of scholarships. Please apply using this application. [Scholarship Application](#)

We hold camp rain or shine. If there is inclement weather we have activities in a sheltered area. Our summer camp is conducted during hurricane season. If we are forced to close due to hurricane or tropical storm conditions, there will be no refund.

This summer we will have some clinics for those sailors interested in our Year Round Race Teams. We will have an Intro to Opti Racing Clinic August 7-8 and an Intro to High School Sailing Clinic August 9-10. The clinics will be \$70. The Clinics will cover boat speed, rigging and will have fleet specific drills. The clinics are designed to get your sailors ready for the race teams. Registration is online through the summer camp registration.

Creative Kids Camp

Monday-Friday

9:30am-3:00pm

Art Center Members \$210/week

Non-members \$260/week

Each week campers will be led by the teacher in projects related to the theme of the week using various mediums including painting, drawing, sculpture and collage. Campers will learn and practice basic art skills such as color mixing, painting with artist paintbrushes and drawing with pencil, marker, pastel and more. All work done during the week will be kept at camp until Friday when campers will have a presentation for their parents at 2pm on Friday.

Creative Kids Camp is for younger campers of all skill levels and accomplishments. Our teachers are great at creatively adapting projects and working with variety of skill levels and dexterities.

Emerging Artists Camp

Art Center Members \$210/week

Non-members \$260/week

Every week campers will experiment with a multitude of art mediums including painting, drawing, sculpture, collage and more designed around a central theme. Themes apply to both camps with unique and independent projects done in each one. Campers will practice art making skills that will expand and challenge the skills they already have in a safe, encouraging and fun environment surrounded by artwork that is in the Art Center's four galleries. They will learn and hone art skills and color mixing, how to paint with artist paintbrushes and draw with artist quality pencils, markers, pastels and more. Every Friday afternoon campers will present for family and friends. Both camps will have lunch, before care and after care and Friday presentation together.

Emerging Artists is a new program for older campers (ages 11 -15) to experiment with more complex art subjects and materials and create projects of their own design under the guidance of our skilled art teachers.

Fashion Boot Camp

Art Center Members \$130

Non-members \$160

For artists (ages 8-18) who would like try their hand at making fashion from unconventional materials. The instructor is iconcept artist Barbara Gerdeman, along with other iconcept artists. They will work with students to help them create fashion and accessories using

unconventional and some conventional materials. Students will learn about fashion design, construction, creative thinking and more. Art Center Sarasota will have variety of limited materials for students to experiment and construct with. Campers are encouraged to bring design ideas to camp and may need to bring their own materials from home.

For a full week of camp, campers can attend 3 days of boot-camp and 2 days of art camp. Cost is \$210m/260nm. Please inform the staff before registering for this option to insure that space is available.

Tidal Tykes: One Big Home

Campers entering grades 1-2

Who are your neighbors? This week we will be examining all the homes beneath the waves. We will travel from shallow tide pools to coral reefs to the deepest depths of the ocean learning about the animals that use these places as their homes. Campers will participate in age appropriate hands-on and water activities and exploration while learning all about these unique homes. We will uncover where these homes are found throughout the world and what it is like living there. We will discover what animals are neighbors and how they all work together living in one big home.

SWIMMING SKILLS ARE REQUIRED.

- Dates: Monday - Friday, 8:30 a.m. - 12:30 p.m.
- June 5-9, June 19-23, July 10-14, July 24-28, August 7-11
- \$259.00 non members/ \$239.00 members

Tidal Tykes: Diverse Universe

Campers entering grades 1-2

Did you know there are over 30,000 different species of fish? Just fish!! This doesn't include mammals, reptiles, or invertebrates. This week we will be exploring just how diverse our waters really are. Campers will be focusing on the diversity of the marine world through age appropriate hands-on and water activities. We will explore everything from dolphins to the barreleye fish to the giant squid. Campers will compare and contrast the marine animals we encounter.

SWIMMING SKILLS ARE REQUIRED.

- Dates: Monday - Friday, 8:30 a.m. - 12:30 p.m.
- June 12-16, June 26-30, July 17-21, July 31- August 4, August 14-18
- \$259.00 non members/ \$239.00 members

Aqua Kids: Duos of the Deep

Campers entering grades 3-5

From friends to foes, our "Duos of the Deep" themed week will focus on animal relationships. Through water and aquarium exploration and observations, campers will examine different types of animal relationships and how they impact each other. We will look at how corals and zooxanthelle have a mutual relationship while groupers encounter a parasitic relationship with fish lice. Campers will engage in hands-on activities to better understand these relationships and how to identify them. We will look at them all; the good, the bad, and the ugly.

SWIMMING SKILLS ARE REQUIRED.

- Dates: Monday - Friday, 8:30 a.m. - 12:30 p.m.
- June 5-9, June 19-23, July 10-14, July 24-28, August 7-11
- \$259.00 non- members/ \$239.00 members

Aqua Kids: Sky to Dive

Campers entering grades 3-5

Have you ever seen the sky's reflection in the water? This week, campers will focus on how the oceans and outer space are connected. Through hands-on activities, water exploration, and observations, we will examine this unique but important relationship. Campers will begin with a basic understanding of each ecosystem before we dive into how they are truly related to each other. We will compare and contrast their similarities and differences while we explore the vast world of both. Campers will learn how they are truly "tide" together!

SWIMMING SKILLS ARE REQUIRED.

- Dates: Monday - Friday, 8:30 a.m. - 12:30 p.m.
- June 12-16, June 26-30, July 17-21, July 31- August 4, August 14-18
- \$259.00 non- members/ \$239.00 members

Sea Sleuths: Marine Mysteries

Campers entering grades 6-8

Sleuth also means detective and that is just what campers will be doing this week. Much of our oceans have not yet been discovered. Campers will get a basic understanding of how scientists explore these mysterious parts and why it is important. We will examine these areas and the animals that inhabit them. Campers will engage in hands-on activities, water excursions and exploration to uncover these marine mysteries. Don't forget to pack your detective notepad!

SWIMMING SKILLS ARE REQUIREDD.

- Dates: Monday - Friday, 8:30 a.m. - 12:30 p.m.

- \$259.00 non- members/ \$239.00 members

Sea Sleuths: Conservation Camp

Campers entering grades 6-8

You can make a difference! This week we will explore all things conservation. Campers will participate in hands on activities, water excursions and field work to discover how they can help the ocean. We will also examine different sustainability avenues that researchers, scientists, and professionals are taking to help conserve the marine world. Campers will experience different techniques in which they can conserve natural resources and share that knowledge with others. A little inspiration goes a long way!

SWIMMING SKILLS ARE REQUIRED.

- Dates: Monday - Friday, 8:30 a.m. - 12:30 p.m.
- June 12-16, June 26-30, July 17-21, July 31- August 4, August 14-18

AFTERNOON CAMPS

AquaTech

Campers entering grades 3-5

A valuable research robot was lost at sea! Can you help us find it? Campers will simulate a mapping and recovery mission to track down our missing technology. We will be combing multimedia technology, mapping, and engineering skills to collect enough clues to unlock the mysteries of the abyss. Using teamwork and digital detective skills, campers will explore Mote's groundbreaking research in hopes that it will lead us to our missing technology! Come "dive" into a week of exploration!

- Dates: Monday - Friday, 1:00 p.m. - 5:00 p.m.
- June 12-16, June 26-30, July 17-21, July 31- August 4, August 14-18
- \$259.00 non- members/ \$239.00 members

Ocean Investigators

Campers entering grades 3-5

What is marine science? Our ocean investigators will be examining the wide world of marine science. If your camper loves all sciences then this is perfect for them. We will be looking at the different branches of marine science and what they entail. In this classroom-based camp, campers will be immersed in hands on activities, experiments and research each day to gain a better understanding of what that specific division specializes in. Our divisions will range from marine chemistry to animal husbandry to marine biology. Come join fellow science loving cohorts for this week of oceanography.

- Dates: Monday - Friday, 1:00 p.m. - 5:00 p.m.
- June 19-23, July 10-14, July 24-28, August 7-11
- \$259.00 non-members/ \$239.00 members

Exploring Marine Careers

Campers entering grades 6-8

So, you want to be a marine biologist?! Come join us in this classroom-based camp, as we explore some exciting careers in marine science at an internationally known research lab, Mote Marine Laboratory. Meet Mote scientists, aquarium biologists and animal trainers! Do hands-on field research in Sarasota Bay, meet and greet resident animals, and participate in training sessions as we step into the shoes of the marine biologist.

- Dates: Monday - Friday, 1:00 p.m. - 5:00 p.m.
- June 12-16, June 26-30, July 17-21, July 31- August 4, August 14-18

Sarasota Orchestra

- Tuition information below

<https://www.sarasotaorchestra.org/education/summer-music-camp>

Classical Camp with an Unclassic Twist

This is not your mother's summer camp. There are no lessons in tent pitching, just pitch-perfect practice. Instead of sleeping under the stars, you'll serenade some of history's most stellar. Repetition of dignified anthems will replace flag ceremony. You'll have fun skipping rocks octave to octave, rather than across the lake. And your playful counselors will help you scale up harmonic trails instead of hillsides.

But one camp staple remains unchanged. Participants will leave the Summer Music Camp with friendships and memories to last a lifetime.

School-aged children on summer break can maintain or gain musical skills during the Sarasota Orchestra's summer program **June 26 - July 14, 2017**. Offering the perfect escape from hot Florida summer days, campers will enjoy this three-week musical adventure in an air-conditioned concert hall. No prior experience is required, this camp is open to students of all abilities and is the ideal time for a beginner to try out a musical instrument or for intermediate and advanced students to hone their own skills or sample something new. Activities for string, wind, brass and percussion students include daily rehearsals in a large ensemble, a technique class, and skill-building in a rhythm class. Classes are kept to manageable sizes, so every student receives individual attention.

TUITION - Each participant in the Youth Orchestra program pays a tuition of \$305. This is in addition to the \$25 application fee and is due upon invoice. The \$305 tuition is only a fraction of the actual cost to the Sarasota Orchestra per student. Through the generosity of many donors and numerous foundations, we are able to off-set tuition expenses.

New this year, **Selby's Summer Camp Lookout!** is a full-day camp, designed for campers ages 6-11. Expanded curriculum and new activities integrate both science and the arts at an attractive price to extend the invitation to enjoy a summer in the Gardens to more families!

With a different theme each week, mornings are packed with plenty of time in the great outdoors, wading in our waters, climbing the trees and catching lizards - the way a child's summer should be! After lunch, Camp Lookout moves indoors, and becomes **Camp Look!Art!** Created to complement our Gardens-wide exhibition *Marc Chagall, Flowers, and the French Riviera: The Color of Dreams* afternoons are dedicated to artistic exploration of the different themes found in Chagall's colorful, dreamlike works: flowers, people and places, and the circus!

Register for just one week, 2 weeks, or all three! Registration for each week is limited to 35 campers. **Note:** Each week requires a separate registration but only one checkout/payment. **Welcome Packet** and **Release Forms** can be found [HERE](#).

9:00 am to 3:00pm. Drop-off begins at 8:30 AM, pickup by 3:30 pm

**Weekly Camp Tuition: \$200.00 Gardens members
\$220.00 non-members**

WEEKLY THEMES:

WEEK 1: June 12-16- Mornings, "Adventure Bay"

Campers will get their feet wet as they discover what lives in the estuary and learn to identify the fish, crustaceans and other creatures that make the coastal grass flats their home. Using creative and critical thinking skills, campers will enjoy activities such as fish printing, daily dip-net discoveries, crab inquiry and storytelling games.

Afternoons, "Flowers and the French Riviera"

Complementing our current exhibition featuring Marc Chagall's flowers and botanical imagery, campers will create beautiful floral and nature-inspired art.

WEEK 2: June 19-23-

Mornings, "Growing Gardeners"

Campers will get their hands dirty by digging into gardening activities, including designing their own butterfly garden and creating recycled wildflower paper. Daily activities surrounding native plants, epiphytes, edibles, and flowers are designed to teach children gardening secrets so they'll go home with a green thumb.

Afternoons, "I and the Village"

Throughout Marc Chagall's life, many of his works featured self- portraits, landscapes, scenes of village life, and the people he loved. This week, campers will explore self-portraiture, and create their own masterpieces featuring the places they live, and the people they know.

WEEK 3: June 26-30-

Mornings, "Rainforest Friends"

Campers will unlock the mysteries of the deep, dark rainforest, exploring the people, plants, and animals that call this place home. Make rainforest inspired objects, press & pickle plants and take field notes like a Selby botanist, taste rainforest foods, and learn about the rainforest's weird and wonderful creatures, great and small.

Afternoons, "Cirque du Sarasota"

Inspired by Marc Chagall's wild and whimsical circus imagery, and celebrating Sarasota's own heritage as a circus city, campers this week will make fantastic and colorful circus-themed creations.
