Dear Friends:

Congratulations on recently being included in the Sarasota Herald Tribune's Readers' Choice Awards. Floridians like you are helping to make our state the best place in the world to raise a family and have a great career.

Florida businesses have added more than 1.26 million jobs over the last six years, and our economy is booming because of our continued focus on cutting taxes, reducing burdensome regulations, and fostering an environment where job creators can grow and succeed in Florida. Our "Fighting for Florida's Future" budget continues our hard work and cuts taxes by \$618 million while making strategic investments in areas that are important to families. We will continue to do all we can to secure a bright future for Florida by diversifying the economy and supporting business growth so we can make Florida the global destination for jobs.

Thank you for helping make sure every family has the opportunity to succeed here in the Sunshine State. Please let me know your ideas for how we can continue to fight for Florida's future and ensure our children and grandchildren have the opportunity to succeed in our great state.

Sincerely,
