

Attention all Sarasota Middle Parents!!!

Online Student Reregistration

You can get started now! Just go to Sarasota Middle’s website – Go to the Student + Parent dropdown menu – Then click on **ONLINE Student Reregistration**. It’s that simple.

The online Re-registration requires a “Snapcode” for each student, which has been sent out via email to all registering parents who have an e-mail address on file.

This information has also been sent to registering parents via letter.
