Math Counts

Math Counts is an exciting club that challenges students to think abstractly about math. We will meet weekly and will practice different types of problems that may be seen at competitions. Depending on success, students can compete at the national competition in May. (Please see reverse)

Please be advised that because this is a competitive club, the top performing students will compete to represent SMS at the chapter competition in February. Students will compete in November to be on the team. If your child is not chosen to compete, he or she can still participate in the club by practicing with us during our weekly morning meetings* We look forward to having a great club this year!

-Mrs. Golumbeck and Mrs. Poppa

If a student is not able to participate in a positive and productive manner, Mrs. Poppa and Mrs. Golumbeck may ask the student to stop meeting with the group.
