# Studio

The rate sheet below shows a menu of items which can be rented by the hour, half day (4 hours) or full day (8 hours). The Standard Studio Setup is explained and includes the mandatory presence of the station technician at all times and to operate the switcher if needed. Rental also includes use of the green room, kitchenette, conference room and restrooms. You must provide your own crew. You must go through a mandatory prelight/preproduction meeting of at least one hour. It is School Board policy you must provide a Certificate of Liability Insurance of \$1 million on the day of production for each day of production, along with payment in check made to Sarasota County Schools.
