Description of how council membership reflects ethnic/racial and socioeconomic community served by the school and of efforts to include them:

The Principal has actively invited parents and community members to come to SAC as well as to serve as SAC Officers. Many have indicated that they will be involved in the SAC Subcommittee and as Parent Representatives at the school. The overall demographic includes parent representatives of our school student demographic diversity.

Describe the election process of each group except "other citizens." For this group, describe the selection process.

**Teachers (includes counselors, media specialists, etc.):**

Teacher representatives are from content areas and SAC agendas and minutes are posted on the VMS website in order to update fellow team teachers on SAC information and to bring team questions to SAC.

**Classified:**

Classified staff nominate the representative and this person is then voted in at SAC.

**Parents:**

Parents are invited to participate via communications including: School open house conferences, connect-ed calls, and school to home flyers.

**Other Citizen:**

Business partners are invited to participate.
