**Imagine Schools Mission Statement**

As a national family of non-profit public charter school campuses, Imagine Schools partners with parents and guardians in the education of their children by providing high quality schools that prepare students for lives of leadership, accomplishment, and exemplary character.

### **School Vision and Mission Statements**

<b>Vision</b>	<b>Mission</b>	<b>Character Development Mission</b>
<p>(A vision statement indicates what the school should ideally “look like” and what it is trying to achieve aligned with the organization’s values and culture.)</p>	<p>(A mission statement indicates the responsibilities of the organization toward their stakeholders; what the school is charged to do and its purpose.)</p>	<p>(A Character Development Mission supports the School’s Mission Statement and provides focus and direction for the school’s character development efforts. It specifies the moral, performance, and civic values taught to students and agreed by stakeholders.)</p>
<p>Imagine School at North Port is a safe, disciplined and productive environment that brings choice and a balance of academic and moral education to our local community. We utilize the Imagine Schools Measures of Excellence as guiding principles to obtain the following for our school:</p> <p><b>Shared Values of Integrity, Justice and Fun</b> – School stakeholders possess the ability to design their role in contributing toward their own success as well as the success of others in our school community. Our school is a place where we can develop an overarching belief that success is a possibility, and consequently take great joy in owning part of the decision making process.</p> <p><b>Academic Growth</b> – Students will be exposed to and challenged by a curriculum which balances fundamental skill development with critical thinking and inquiry-based acquisition of knowledge and perspective. Teachers will harness their love of children combined with a passion for learning into the creation of a pedagogy which constantly measures our daily instructional practices against what is best for our students. The school will, in a thoughtful and meaningful fashion, construct a path for learning and growth of our students which transcends standardized testing and fosters a skill set that ensures success inside and outside of the classroom.</p>	<p>The Mission of Imagine School at North Port is to educate all students in a safe, supportive, individualized and challenging environment where they can learn to be contributing citizens of our community.</p> <p>School Motto: Grow and Learn on Purpose</p>	<p>Revised by the Character Committee September 2018</p> <p>School staff will model and instruct students in the development of the core values required to become moral, upstanding citizens. Students will learn from an effective social-emotional curriculum paired with opportunities to practice these values through school facilitated peer interactions, community service, and leadership opportunities. Students will hold themselves and each other accountable for meeting the high expectations set before them.</p>

<p><b>Positive Character Development</b> – School staff model and instruct students in the core values required to become a moral, upstanding citizen of our nation. Students experience high expectations for moral development from the school community, and are able to learn from an effective curriculum paired with an ability to practice these values through school facilitated peer interactions, community service and student leadership opportunities.</p> <p><b>Economic Sustainability</b> – School combines an urgent need to provide students with instructional materials and support items which will facilitate their education, with a shared understanding to prioritize our expenditures according to the needs of students, live within our budget and model fiscal responsibility with public funds. Developing business partnerships and symbiotic relationships with the local community will assist in this effort.</p> <p><b>Parent Choice and Satisfaction</b> – Our parents experience satisfaction due to the progress of their children. They work cooperatively with school personnel to establish goals and priorities. They feel welcomed and valued as partners in the educational process, and perennially choose our school as the best and most suitable fit for their children’s educational needs.</p> <p><b>School Development</b> – School Community concentrates on a systematic pattern of continuous improvement which entrenches our place as a beacon of high quality education within our community, with the ultimate result being a school which operates at full capacity, thereby maximizing the positive impact of our school community in the local community and surrounding area.</p>

## **School Profile and Demographics**

### **Brief History and Background of the School**

(Include when school was established, where it is situated, physical environment, initiatives over the years, awards achieved, challenges faced, Grades for Measures of Excellence, partnerships and grants.) Update each year with new information on challenges and successes.

Imagine School at North Port opened its doors in August of 2008 as a K-8 Charter with only K-6 in operation, and we have grown a grade level each year. We celebrated our first graduating class in 2016, and now graduate seniors that are college and career ready each year. We earned several awards our first year: Imagine Schools National New School of the Year, Parent Satisfaction, and Character Education. In our second year, we moved the school from the state grade of “C” to an “A school” and we were fully accredited by the Southern Association of Schools and Colleges. We also earned the Imagine Schools National Shared Values Award. ISNP expanded with the addition of a high school charter and another campus for middle and high school students. A high school gymnasium with additional classrooms began construction in 2013 and opened in January of 2014. In the summer of 2013, the Governing Board voted to hire co-principals to operate our K-12 program, so now the school has a principal at the Elementary Campus (K-5) and a principal at the Upper School Campus (grades 6-12). With the change in leadership, and controversy from the previous school leader, the school experienced loss in enrollment and a budget crisis during the 2013-2014 school year. Since then, enrollment has stabilized. During 2014-2015 we were awarded a 5 year AdvancEd accreditation renewal, a 15-year charter renewal, and a Promising Practices award at the elementary campus! In the spring of 2016, the school was awarded National Promising Practices for a second year in a row, and was also named National Runner Up for School of the Year for Parent Choice due to all of the efforts to improve programs and enrollment. In the spring of 2017, we were awarded our third National Promising Practices award and interest in our school continued to grow, as we had a 30 student waitlist in kindergarten after the lottery in March for the first time in the school’s history, and there was a waitlist at almost every grade level. Unfortunately, the school has received a Florida School Grade of “B” for the last three years, and has lost its high performing charter school status. The school will need to receive a state grade of “A” two years in a row in order to earn the high performing status back. In 2018, the elementary campus was awarded two National Promising Practices Award for Character Education, and received certificates at the Regional Imagine Forum for A grades in the following areas: Parent Choice, Economic Sustainability, Character Education and Shared Values.

### **Student Demographics**

(Describe the community of students that the school serves, e.g. total enrollment and grade level enrollment, % of Free or Reduced Lunch Eligibility, % Special Education Students, % English Language Learners, and % by Race/Ethnicity.)

<b>Grade</b>	<b># of Students</b>
K	93
1	90
2	90
3	86
4	84

5		93															
Free and Reduced Lunch: 60% Exceptional Student Education: 9% ELL: 5% Race/Ethnicity: A-3% B-7% H-13% M-4% W-73%																	
<b>Staff Demographics</b> (Specify number of staff members and indicate roles. For instructional staff: include % of new teachers, % of teachers with 1-5 years and 6 + years of experience, % of teachers with advanced degrees, and % of teachers with specialized certifications.)																	
45 Staff Members  34 Instructional Staff Members 2 are new to the school this year 53% have 1-5 years of teaching experience 47% have 6 or more years of experience 44% have ESOL certification 9% have a Reading Endorsement 18% have a Master’s Degree																	
<b>Needs Assessment</b>																	
<b>DATA &amp; 3 YEAR TRENDS</b>		<b>ANALYZE &amp; PRIORITIZE NEEDS</b>															
<b>Shared Values</b> <ul style="list-style-type: none"> <li>Imagine Schools Staff, Student, and Parent Survey items related to Shared Values</li> <li>Other quantitative data: staff retention, in-house surveys</li> <li>Other qualitative data: testimonials, observations</li> <li>SEPR rating</li> </ul>		<b>Shared Values</b> <ul style="list-style-type: none"> <li>Areas of strength and growth</li> <li>SEPR &amp; NACT recommendations</li> <li>Use this analysis to identify areas for improvement in the <b>EQUIP</b> section for each goal</li> </ul>															
<b>Shared Values Grades</b> <table border="1" style="width: 100%; text-align: center;"> <thead> <tr> <th>2015</th> <th>2016</th> <th>2017</th> <th>2018</th> </tr> </thead> <tbody> <tr> <td>B+</td> <td>A</td> <td>B+</td> <td>A-</td> </tr> </tbody> </table>		2015	2016	2017	2018	B+	A	B+	A-	Based on the three stakeholder surveys, we found that our groups had the following agreement percentages (“agree” or “strongly agree”):  Staff: 94.1% Students: 79.8% Parents: 95.6% Overall: 90%							
2015	2016	2017	2018														
B+	A	B+	A-														
<table border="1" style="width: 100%; text-align: center;"> <thead> <tr> <th>School Year</th> <th>Total Number of Teachers</th> <th>Number of Teachers Returned</th> <th>Number of Teachers Asked NOT to return</th> <th>Number of Teachers asked to Return But Did Not</th> <th>Intentional Teacher Retention Percentage</th> <th>Total Teacher Retention Percentage</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td>1718</td> <td></td> <td></td> <td></td> <td></td> </tr> </tbody> </table>	School Year	Total Number of Teachers	Number of Teachers Returned	Number of Teachers Asked NOT to return	Number of Teachers asked to Return But Did Not	Intentional Teacher Retention Percentage	Total Teacher Retention Percentage			1718					The overall agreement rate (strongly agree & agree) for the Shared Values survey items fell to 93.8% but this was the first year that the Elementary Survey was separated from the Upper Campus Survey, so we will consider this our baseline data.		
School Year	Total Number of Teachers	Number of Teachers Returned	Number of Teachers Asked NOT to return	Number of Teachers asked to Return But Did Not	Intentional Teacher Retention Percentage	Total Teacher Retention Percentage											
		1718															

2015-2016	31	28	2	1	97%	90%
2016-2017	32	25	1	6	81%	78%
2017-2018	34	32	1	1	97%	94%
2018-2019	34	31	0	3	91%	91%

The following data charts include agreement rates for two years because our surveys were split by campus beginning in the spring of 2017:

**Shared Values**

	2017	2018
Staff	93.8%	94.1%
Students	83.5%	79.8%
Parents	99.4%	95.6%
Overall	92.2%	90%

**Staff Shared Values Survey Overall Agreement Rates**

2017	2018
95.4%	92.2%

We are pleased that the overall agreement rate is above 90%. Jason Bryant, Co-CEO, reviewed our survey narrative responses and provided us with the following glows and grows:

**Suggested Grade: A-/B+**

**Participation Rate: 79%. This is fair but not terrific. Transparency and encouraging everyone to have a voice is critical to our mission at Imagine Schools. Please check the roster and see if there were any mistakes in the number of people who should have counted as eligible with Vivian as I don't want to unfairly penalize you for low participation.**

**Glows**

- There **was** one negative comments and a few growth comments which should be addressed with the team.
- A majority of the team has a strong understanding of Integrity, Fun, and Justice with some really specific examples of how they are applying the shared values at the campus.
- Quote: "Integrity is wholeness. It is ensuring that we balance our Measures of Excellence and model the shared values for the students and families that we serve. At Imagine School North Port, we work as a team and hold each other accountable. We pride ourselves in sticking with our commitments. We are a family working towards common goals to do what is best for the students and parents that we serve."
- The faculty used the following to describe what Imagine North Port Elem means to them: family, support, great place, love, proud, know kids, and collaborative.
- Great Quote: "This school year, we have embarked on an initiative to create a more positive school-climate with a unified vision and purpose." It is evident that the team is taking this seriously.
- The intentional teaching of the shared values is evident and Aleischa should be celebrated for her dedication to the shared Values. Great improvement.

**Grows**

- Participation rate of 79% is not great and there were some voices who were not heard.
- There were about 20% of the faculty with a wrong understanding or need a better understanding of Integrity.
- There were about 25% of the faculty with a wrong understanding of FUN and how we interpret and apply it in Imagine.
- Only had few of the faculty with a wrong understanding of Justice.
- There were about 4 people with growth comments related to Justice which should be read and discussed with the team. It can be a learning experience for everyone. We should all have a growth mindset.
- The positive attitudes of the faculty was inspiring despite the challenges. A few people wanted more consistent follow thru in discipline and more visibility of the Principal. Aleischa – I would encourage you to continue to get to know the kids and be present/visible in the campus. We all can grow in this area. We really enjoyed reading the surveys and really think the team is heading in the right direction with optimism.

	<p>The feedback above was shared with the staff, and the Shared Values Committee continued to dig into the data to create goals for this year.</p>																							
<p><b>Character Development</b></p> <ul style="list-style-type: none"> <li>Imagine Schools Staff, Student, and Parent Survey items related to Character Development</li> <li>Other quantitative data: in-house surveys, discipline data (referrals, suspensions)</li> <li>Other qualitative data: testimonials, observations</li> <li>List of service learning opportunities</li> <li>SEPR rating</li> </ul>	<p><b>Character Development</b></p> <ul style="list-style-type: none"> <li>Areas of strength and growth</li> <li>SEPR &amp; NACT recommendation</li> <li>Use this analysis to identify areas for improvement in the <b>EQUIP</b> section for each goal</li> </ul>

Student surveys indicated that the question about respect scored lower than last year, to 42.4%. In reflecting on this lower score, it came to our attention that there may be a disconnect between what students and staff believe what “respect” means. Faculty advisor for the K-Kids service learning club selected the 4<sup>th</sup> and 5<sup>th</sup> grade members to discuss the character survey questions that</p>
2015	2016	2017	2018																					
A-	A	N/A	A-																					
	2017	2018																						
<b>Staff</b>	96.3%	98.3%																						
<b>Students</b>	88.7%	85%																						
<b>Parents</b>	92.1%	91.5%																						
<b>Overall</b>	92%	91.6%																						

**Moral Character Development**

	2017	2018
Staff	94.6%	90%
Students	83.7%	80.1%
Parents	94.5%	91.9%
Overall	91%	87.3%

**Civic Character Development**

	2017	2018
Staff	95.9%	100%
Students	88.5%	85.9%
Parents	90.5%	94.1%
Overall	92%	93.3%

**School Culture**

	2017	2018
Staff	93.8%	88.8%
Students	87.1%	84.3%
Parents	95.5%	92%
Overall	92.1%	88.3%

were lower scoring, including this survey question. During the discussion it was apparent that there was indeed a disconnect between what the adults in the school believe to be respectful and safe behaviors. This led to a powerful discussion to all 4<sup>th</sup> grade classes that included giving them a voice and to know that what they thought matters and inspiring them to make change next year because they would be 5<sup>th</sup> grade role models next year. Each student completed an anonymous survey that helped us gain specific information about respect and how it pertains to adults and students and allowed students to give examples and non-examples. It appears to students that there are clear boundaries of respect that have been crossed and they are able to articulate what they would like changed. Students were also clear in that to them, “safety” means more about emotional safety than physical safety. The emotional safety students want is to reduce the amount of teasing within their peer circles.

Performance Character Development: Our current data indicates that 88.6% of students agree, “I am able to describe my progress in reaching my learning goals.” 87.5% of students agree that “I work with my teachers to set my own academic and character goals,” and 87.7% of students agree that “I can work with my teachers to set my own academic and character goals.” While this is a move in the right direction we need to increase the consistency of students keeping their own data across grade levels and help teachers gain more of an understanding of why this is an effective practice. Student ownership of learning is important. It has been mentioned several times that student data/work sample binders are a good idea but it is not a program that is in full implementation. If we want to put this into place it must be planned and executed purposefully.

Civic Character Development: The data indicates that 77.8% of students feel that they “have chances to be a leader and help make decisions in my classroom or school.” Students and teachers should change their language to include purposeful and intended language so that stakeholders understand what “leadership” is and all that it can include. Students may not be hearing the word, “leadership”, often enough and may not be making the connection between everyday acts or responsibilities to believe they are indeed demonstrating leadership. Leadership should be a theme or focus school-wide so that students can describe leadership and teachers know how to provide leadership opportunities and experiences.

School Culture/Climate: We have also continued the work with Sandi Herrera and *Got Core Values?* and are working to explore our core values as individuals and unify them through Imagine’s values of Justice, Integrity and Fun. Our team leaders worked intensely and intentionally to set a unified vision. The leadership team came to a consensus that we

<p><b>Overall Student Agreement Rate on the Character Survey</b></p> <table border="1" data-bbox="96 298 1026 423"> <thead> <tr> <th data-bbox="96 298 558 358">2017</th> <th data-bbox="558 298 1026 358">2018</th> </tr> </thead> <tbody> <tr> <td data-bbox="96 358 558 423">87.3%</td> <td data-bbox="558 358 1026 423">84.4%</td> </tr> </tbody> </table>	2017	2018	87.3%	84.4%	<p>want staff and students to show up to “grow and learn on purpose” every day. We have started to use that phrase on morning announcements, in our conversations, and in our newsletters. On May 25, 2018, we held our first staff-wide PD to continue to work on building the positive school culture that we want Imagine School at North Port Elementary to have. We will create it and own it together, and there is still a lot of work to be done together. Some of the intentions the team came up with to build trust include:</p> <ul style="list-style-type: none"> <li>· Be vulnerable</li> <li>· Be open and honest</li> <li>· Peer to peer accountability</li> </ul> <p>We need to connect the core values to student learning, and help students to understand their own core values and how they connect to the school’s core values.</p> <p>Develop a pacing for each grade level that focuses on a particular element of SEL so that we can make use of morning announcements to support the SEL focal points. Connect each SEL component to a SHARK behavior. We may change the curriculum for SEL.</p> <p>The Restorative Practices PD Modules that came out this summer should be completed by Character Committee members. It should then be communicated that other teachers who are interested in becoming a cohort or pilot classrooms for restorative practices should join to do the training together until all staff are trained and practicing in their classrooms. It is recommended that teachers who go through the training together meet periodically to discuss implementation and work as a support for each other. It is also important to connect Restorative Practices and SEL.</p>
2017	2018				
87.3%	84.4%

	Numbers and Operations in Base Ten		64%	56%
	Numbers and Operations - Fractions	69%	63%	
	Measurement, Data, and Geometry	65%	61%	48%

The average reading growth as measured by STAR for students in grades 1-5 has more than one year (1.05). The math growth average was one year (1.04). Overall growth for the year was 1.04 (combined Math and Reading).

After completing a root cause analysis with the leadership team, the following areas were determined as areas of strength and need:

- Discontinuation of looping between grade levels so that teachers have the opportunity to become experts in not only content but also grade level.

Reading

- Celebrations: The third grade ELA scores were among the highest of all of the North Port elementary schools and beat the state and district average, and the 4<sup>th</sup> Grade ELA proficiency rate increased 16 percentage points from 2017.
- Area for Growth: Data shows that primary grade levels have an ELA area of weakness in the domain of Vocabulary, and intermediate grade levels have an ELA area of weakness in the domain of Integration of Knowledge & Ideas.

Math

- Celebrations: The third grade Math scores were the third highest of all of the North Port elementary schools and beat the state and district average. The third grade proficiency rate also increased 18 percentage points from 2017.
- Area for Growth: Data shows that primary grade levels have a Math area of weakness in the domains of Number & Operations and Algebra & Algebraic Thinking, and intermediate grade levels have a Math area of weakness in the domain of Measurement, Data, & Geometry.

Science

- Celebrations: We are proud that there was a 10% increase in proficiency between 2017 and 2018 and that the science scores continue to improve each year. This year, we implemented K-5 Science Fusion Curriculum and used the program’s benchmark assessments to complete item analyses and plan for instruction. This process was valuable and will continue next school year.
- Area for Growth: Our 5<sup>th</sup> grade science scores are still below the state and district averages. After disaggregating the science data by domain, it is evident that Earth and Space Science is our greatest area of weakness.

Writing

	<b>Science</b>		
	2016	2017	2018
5	38	42	52

<b>SCIENCE</b>	Nature of Science	70%
	Earth & Space Science	63%
	Physical Science	75%
	Life Science	71%

**2018 iReady Data:**

% of Students Below Level	K	1	2
Phonological Awareness	40%	20%	2%
Phonics	43%	41%	53%
High Frequency Words	31%	31%	19%
Vocabulary	48%	57%	63%
Comprehension: Literature	30%	44%	42%
Comprehension: Informational Text	37%	48%	40%

% of Students Below Level	K	1	2

- Area for Growth: A K-5 focus on writing, with vertical discussions on how writing is being taught and common vocabulary, as well as continued analysis of student writing.

We will also continue to focus on the following initiatives from last school year:

- Small group differentiated instruction within the instructional block
- Implementation of common intervention time (WIN) with fidelity
- Common lesson planning template
- Benchmark assessments and item analysis in every subject area

Number & Operations	37%	53%	43%
Algebra & Algebraic Thinking	43%	26%	43%
Measurement & Data	18%	36%	34%
Geometry	14%	45%	31%

**Percentage of student by grade that received a level 1 on 2018 FSA Math and/or ELA:**

3rd Grade: 10.5%  
 4th Grade: 18%  
 5th Grade: 30%

**Economic Sustainability**

- Use this analysis to identify areas for improvement in the **EQUIP** section for each goal

**Economic Sustainability Grades**

2015	2016	2017	2018
B+	B+	B+	A

The FY19 Budget approved by the Governing Board on September 18, 2018 projects an operating surplus of \$189,257.00 and a projected year end fund balance of \$1,347,213.00.

The Governing Board and school leadership teams recognize a need for long-term planning for facilities to attend to the growing enrollment and a plan to save for a capital project and permanent facility to own.

The two campuses share one budget. This has led to staff questions about budget decisions occurring at the other campus.

There has been an increase in spending on school safety and security, including two full time School Resource Officers, which has led to cuts in other areas.

The PE department has indicated a need for a pavilion to provide shade during outdoor PE instruction since the elementary gym is used to serve lunches for a majority of the day. It is not currently in the budget so other fundraising initiatives have been discussed.

Longitudinal Statement of Net Position			
Year	Start of Year	End of Year	Variance
2015-2016	\$548,305.00	\$846,248.00	\$297,943.00
2016-2017	\$846,248.00	\$1,241,319.00	\$395,071.00
2017-2018	\$1,241,319.00	\$1,899,425.00	\$658,106.00

The 2018 Audit Report states that for the fiscal year ended June 30, 2018 the school's revenue exceeded expenses by \$658,106.00 as show on the school's statement of activities.

<p><b>School Development</b></p> <ul style="list-style-type: none"> <li>Imagine Schools Staff Survey items related to School Development</li> <li>Other quantitative data: in-house surveys, etc.</li> <li>Other qualitative data: observations and testimonials</li> <li>SEPR rating</li> </ul>	<p><b>School Development</b></p> <ul style="list-style-type: none"> <li>Areas of strength and growth</li> <li>SEPR &amp; NACT recommendations</li> <li>Use this analysis to identify areas for improvement in the <b>EQUIP</b> section for each goal</li> </ul>

## Building a Culture of High Expectations

### ESTABLISH Goals: SHARED VALUES

Stakeholders develop a shared vision and mission and have a clear understanding of their roles and responsibilities • Stakeholders commit to Imagine Schools Shared Values of **Justice, Integrity and Fun**, which provide direction and purpose for work • When making decisions, stakeholders put major emphasis on getting advice from colleagues and leaders • Staff attitudes and perceptions are assessed regularly • Roles and responsibilities for multi-levels of leadership are defined • Instructional leader guides and coordinates a school culture of positive character development and academic growth • Stakeholders commit to the priorities of the Six Measures of Excellence • A School Excellence Plan (SEP) is developed collaboratively to provide one plan that bridges other accountability plans into a clear focus for the year • All stakeholders work collaboratively to meet goals established in SEP • Stakeholders monitor progress towards goals • The Academic Excellence Framework (AEF) is embedded into the culture of the school

Overarching S.M.A.R.T. Goal (s) (Specific, Measurable, Achievable, Relevant, and Timely):

***By the end of the school year, the overall agreement rate (strongly agree & agree) for the Shared Values survey items will be maintained at 90% or will increase.***

**Goal(s) Met?**

- |       |      |

## Building a Culture of High Expectations

### ESTABLISH Goals: CHARACTER DEVELOPMENT – SCHOOL CULTURE/CLIMATE

All stakeholders are committed to building a culture of high academic and character expectations and agree on a set of moral, performance, and civic character values to be upheld by the school community • Character values are clearly and consistently modeled and integrated into every aspect of the school day • A physically and emotionally safe and supportive school-wide learning environment, based on mutual respect and fairness, is established and upheld • Teachers exhibit cultural responsiveness and use a growth mindset to build students’ sense of belonging to the school community • Students will learn the Character and Social-Emotional Learning skills to help them serve as leaders, decision makers, and role models to their younger peers • Appropriate methods of recognition are employed to foster intrinsic motivation in staff and students • Successes that bring attention to the school’s vision, mission and goals are celebrated • Teachers model, reinforce, and convey expectations for habit-building routines that operate consistently across the school and in each classroom • Staff use a positive approach to school and classroom discipline that is consistent with character values and includes restorative/peacebuilding practices • The school routinely assesses its culture and climate, the functioning of its staff as character educators, and the extent to which students manifest good character • The school emphasizes an optimal learning environment that is inclusive and culturally relevant to all students by reflecting students’ unique home and community backgrounds

Overarching S.M.A.R.T. Goal (s) (Specific, Measurable, Achievable, Relevant, and Timely):

***By the end of the school year, the overall agreement rate (strongly agree & agree) for School Culture/Climate survey items will be at least 90%, a 2% increase from last school year, as measured in the Imagine Schools Student, Staff, and Family Surveys.***

**Goal(s) Met?**

## Building a Culture of High Expectations

### ESTABLISH Goals: PARENT CHOICE

School staff and parents/guardians partner in the process of continual school evaluation and improvement • School thoughtfully promotes parents/guardians ability to understand, articulate, and support the school’s vision and mission • School provides opportunities for parents/guardians to contribute to a respectful, transparent school culture that reinforces high expectations • School invites parents to join in planning, organizing, and creating rich, rewarding experiences for students • Parents/guardians are well informed and knowledgeable about their child’s progress and about the school’s educational program • Parents/guardians attend meaningful school programs focused on enhancing home academic support • School/home partnership is enhanced through frequent, clear and substantive school/home communication • Parents/guardians learn about the unique program and activities offered by the school, which emphasizes how character development positively impacts student’s academic responsibility and success • Parents/guardians and the local community form partnerships with the school to promote character initiatives

<b>Overarching S.M.A.R.T. Goal (s) (Specific, Measurable, Achievable, Relevant, and Timely):</b> <i>By the end of the school year, 90 % of students will re-enroll, as measured by completed enrollment forms, , a 2% increase from last school year.</i>	Goal(s) Met?	
	• YES	• NO

### EQUIP with Implementation Action Plan: PARENT CHOICE

## Teaching & Learning

### ESTABLISH Goals: ACADEMIC GROWTH – TEACHING & LEARNING FUNDAMENTALS

A common, coherent, viable curriculum based on standards and integrated across the subject areas is followed by all teachers through a year-at-a-glance, integrated curriculum maps, pacing guides and unit plans • An effective lesson plan is developed to include; setting clear objectives, advance cues, questions and organizers, direct instruction, guided practice, checks for understanding and independent practice, as well as character integration • Effective resources are identified and used with fidelity and maintained over time for adequate practice and implementation • The delivery of a rigorous lesson engages students in creative thinking, problem solving and skilled communication • Teachers engage in rigorous instruction through higher order questioning, discussions and project-based learning • Students apply critical thinking by identifying similarities and differences • Students are motivated to generate and test hypotheses through inquiry-based instruction • Students make sense of content through summarizing and note taking • Teachers and students construct nonlinguistic representations for mental imagery • Students have opportunities to apply 21<sup>st</sup> Century skills • Teachers provide ample opportunities for deliberate practice • Teachers check for understanding through formative and summative assessments • Learning is personalized through a sophisticated use of data for differentiated instruction • Teachers help students become independent self-directed learners

<b>TEACHING &amp; LEARNING</b> Overarching <b>S.M.A.R.T. Goal (s)</b> (Specific, Measurable, Achievable, Relevant, and Timely): <i>By the end of the school year, at least 98% of teachers will demonstrate effective teaching, as measured by observation data.</i>	Goal(s) Met?	
	• YES	• NO

### EQUIP with Implementation Action Plan: ACADEMIC GROWTH - TEACHING & LEARNING FUNDAMENTALS

Identify the area(s) for improvement from above	ACTION STEPS (Implementation initiatives and strategies)	Tools and Resources	Timeframe for expected implementation	Person(s) responsible for implementation	Identify how you will measure the effectiveness of the strategy/initiative
Teachers need to reach all learners, including growing the lowest quartile of students through differentiated small group instruction during the instructional block. ## Teaching & Learning

### ESTABLISH Goals: ACADEMIC GROWTH - READING

Teachers utilize the reading pacing guides to collaboratively plan rigorous lessons that integrate the literacy focus strategies and use researched based reading tools to ensure that lessons are standards-driven, cohesive and correctly paced • Teachers unpack the reading standards in weekly horizontal and vertical planning and align their resources appropriately for ongoing assessment and progress monitoring • A ninety minute reading block includes the elements of guided reading with whole group, small group and organized activities for independent practice • A clear purpose for reading is established and direct teaching of skills (phonemic awareness, phonics, vocabulary, comprehension and fluency) occurs • Adherence to the Common Core State Standards shifts is evident with a true balance of literary and informational texts in classroom libraries, read-alouds and during instruction • Content area teachers outside of the ELA classroom emphasize literacy experiences in their planning and instruction

Overarching <b>S.M.A.R.T. Goal(s)</b> (Specific, Measurable, Achievable, Relevant, and Timely):	Goal(s) Met?	
<ul style="list-style-type: none"> <li>• <b>By the end of the school year, at least 62% of students in grades 3-5 will be at a Proficient Level or higher, as measured by the ELA State Assessment (a 4% increase from last year).</b></li> <li>• <b>By the end of the school year, at least 62% of students in grades K-2 will be On or Above Level, as measured by the i-Ready Reading End-of-Year Report (a 4% increase from last year).</b></li> </ul>	• YES	• NO
By the end of the school year, 53% of the lowest quartile in grades 4-5 will make learning gains in reading as measured by the Reading State Assessment (a 4% increase from last year).	• YES	• NO
By the end of the school year, the mean Reading Learning Gain for all students in grades 1-5 will improve from <u>1.05</u> to <u>1.07</u> , as measured by the Fall to Spring STAR Reading Assessment.	• YES	• NO

## Teaching & Learning

### ESTABLISH Goals: ACADEMIC GROWTH – MATH

Teachers utilize the mathematics pacing guides to collaboratively plan rigorous lessons that integrate the literacy focus strategies and use researched based math tools to ensure that lessons are standards-driven, cohesive and correctly paced • Teachers unpack the math standards in weekly horizontal and vertical planning and align their resources appropriately for ongoing assessment and progress monitoring • Procedural skills as well as conceptual understanding are taught • A sixty to ninety minute math block includes the elements of guided math with whole group, small group and organized activities for independent practice • Students study algorithms as “general procedures” in order to gain insights to the structure of mathematics (e.g. organization, patterns, predictability) • Students are able to apply a variety of appropriate procedures flexibly as they solve problems • Students have opportunity to develop the eight mathematical practices: Make sense of problems and persevere in solving them, Reason abstractly and quantitatively, Construct viable arguments and critique the reasoning of others, Model with mathematics, Use appropriate tools strategically, Attend to precision, Look for and make use of structure, and Look for and express regularity in repeated reasoning

Overarching <b>S.M.A.R.T. Goal (s)</b> (Specific, Measurable, Achievable, Relevant, and Timely):	Goal(s) Met?	
	<ul style="list-style-type: none"> <li>By the end of the school year, at least 67% of students in grades 3-5 will be at a Proficient Level or higher, as measured by the Math State Assessment (a 4% increase from last year).</li> <li>By the end of the school year, at least 66 % of students in grades K-2 will be On or Above Level, as measured by the i-Ready Math End-of-Year Report (a 4% increase from last year).</li> </ul>	• YES
By the end of the school year, 46% of the lowest quartile in grades 4-5 will make learning gains in math as measured by the Math State Assessment.	• YES	• NO
By the end of the school year, the mean Math Learning Gain for all students will improve from <u>1.04</u> to <u>1.06</u> , as measured by the Fall to Spring STAR Math Assessment.	• YES	• NO

## Teaching & Learning

### ESTABLISH Goals: ACADEMIC GROWTH – WRITING

Teachers utilize the writing pacing guides to collaboratively plan rigorous lessons that integrate the literacy focus strategies and use researched based writing tools to ensure that lessons are standards-driven, cross-curricular, cohesive and correctly paced • Teachers unpack the writing standards in weekly horizontal and vertical planning and align their resources appropriately for ongoing assessment and progress monitoring • A thirty minute writing block includes the elements of writer’s workshop with direct instruction, independent writing, teacher and peer conferencing and shared experiences • The importance of the writing-reading connection is stressed by requiring students to draw upon and write about evidence from literary and informational texts • Student writers use evidence from research (including the text being read) to support their opinions • Annotated samples of exemplary student writing (rubrics) accompany the standards and help establish adequate performance levels in writing arguments, informational/explanatory (expository) texts, and narratives in the various grades

Overarching <b>S.M.A.R.T. Goal (s)</b> (Specific, Measurable, Achievable, Relevant, and Timely):	Goal(s) Met?	
<b><i>By the end of the school year, 58% of 4th and 5th grade students will be at a Proficient Level or higher, as measured by the Florida State Assessment.</i></b>	• YES	• NO

## Teaching & Learning

### ESTABLISH Goals: MORAL CHARACTER DEVELOPMENT

**Moral Character Development: The teaching and learning of values that help students act in ethical ways and engage in positive relationships with others**  
 Teachers and staff take intentional steps to model, teach, and reinforce moral character values, such as, respect, honesty, fairness, kindness, self-control, integrity, etc. • Teachers provide opportunities for students to practice and internalize moral character values • Teachers integrate moral character values in lessons and activities across content areas • A physically and emotionally safe and supportive classroom learning environment, based on mutual respect and fairness, is established and upheld • Teachers take intentional efforts to create a classroom community that fosters a sense of belonging and collective solidarity where students hold each other accountable to act appropriately and with integrity • Teachers build positive relationships with students and learn about their interests and passions • Students are given opportunities to interact with peers and practice the Character and Social-Emotional Learning (SEL) skills required to develop positive relationship with others • Students learn the Character and SEL skills to resolve conflicts peacefully • Teachers use a positive approach to classroom management that is consistent with character values and includes reflective, restorative and peace building practices • Teachers create a classroom environment that is inclusive and culturally relevant to all students

<p><u>Overarching S.M.A.R.T. Goal (s) (Specific, Measurable, Achievable, Relevant, and Timely):</u>  <i>By the end of the school year, the overall agreement rate (strongly agree &amp; agree) for Moral Character Development survey items will be at least 89% in the Imagine Schools Student, Staff, and Family Surveys, a 2% increase from the overall average.</i></p>	<p><b>Goal(s) Met?</b></p>
	<p>• YES      • NO</p>

### EQUIP with Implementation Action Plan: MORAL CHARACTER DEVELOPMENT

## Teaching & Learning

### ESTABLISH Goals: PERFORMANCE CHARACTER DEVELOPMENT

**Performance Character Development: The teaching and learning of values that help students maximize achievement and reach their fullest potential.**  
 Teachers and staff take intentional steps to model, teach, and reinforce performance character values, such as, responsibility, curiosity, perseverance, and creativity • Teachers provide opportunities for students to practice and internalize performance character values • Teachers integrate performance character values in lessons and activities across content areas • Teachers structure purposeful instructional strategies and activities, that fosters curiosity and creativity, and result in high student engagement • Students learn routines and internalize Social-Emotional Learning skills and habits that allow them to optimize learning experiences • Teachers take intentional efforts to intrinsically motivate students to improve their academic efforts and assume responsibility for their education Teachers help students develop a growth mindset regarding academic achievement by creating a personalized learning plan with self-directed goals • Teachers foster a growth mindset by reinforcing and providing recognition for students’ efforts • In cooperation with teachers, students develop character goals that directly impact academic success • Time is allocated to teach students about applying and tracking effort and progress towards personal and collaborative goals • Students frequently communicate and reflect on academic and character goals with teachers, parents, and peers

<b>Overarching S.M.A.R.T. Goal (s) (Specific, Measurable, Achievable, Relevant, and Timely):</b>	<b>Goal(s) Met?</b>	
<b><i>By the end of the school year, the overall agreement rate (strongly agree &amp; agree) for Performance Character Development survey items will maintain 91.6%, or increase, in the Imagine Schools Student, Staff, and Family Surveys.</i></b>	• YES	• NO

## Teaching & Learning

### ESTABLISH Goals: CIVIC CHARACTER DEVELOPMENT

**Civic Character Development: The teaching and learning of values that students need to be informed and compassionate citizens of their schools, their communities, and the world.**  
 Teachers and staff take intentional steps to model, teach, and reinforce civic character values, such as, empathy, justice, leadership, teamwork, citizenship, service, digital citizenship, etc. • Teachers provide opportunities for students to practice and internalize civic character values that help them understand their roles and responsibilities as citizens of their local and global communities • Teachers create a culturally relevant learning environment that respects diversity • Teachers integrate civic character values in lessons and activities across content areas • Teachers foster students’ sense of self-efficacy and inspire them to use their talents and passions to be of service to their school as well as their local and global communities • Students learn about civic duty and the responsibilities of being an informed citizen • Students are provided with opportunities to choose, plan, and implement authentic service learning projects that are connected to their studies in response to a need in their schools as well as their local and global communities • Students have opportunities to grow in empathy by taking different perspectives in social issues • Students learn Character and Social-Emotional Learning skills to engage in effective collaborative groups with peers for productive teamwork • School develops norms for digital citizenship • Students learn about digital citizenship to engage in responsible behavior when using technology

<b>Overarching S.M.A.R.T. Goal (s) (Specific, Measurable, Achievable, Relevant, and Timely):</b> <i>By the end of the school year, the overall agreement rate (strongly agree &amp; agree) for Civic Character Development survey items will maintain 93.3%, or increase, in the Imagine Schools Student, Staff, and Family Surveys.</i>	<b>Goal(s) Met?</b>
	<ul style="list-style-type: none"> <li>• YES</li> <li>• NO</li> </ul>

## Operating Structures

### ESTABLISH Goals: ECONOMIC SUSTAINABILITY

School leadership balances school expenditures and revenues so that they live within their means annually and over the long-term • School leaders, staff and the governing board are actively engaged in creating, discussing, and amending their budget based on the current enrollment and per-student disbursement from each locality or state • The school routinely ensures that the school staff has opportunities to review the budget, learn about school finances and participate in economic decisions • Stakeholders work hard to eliminate inefficiencies and prioritize expenditures based on needs where they most benefit teaching, learning, and school growth • Stakeholders research other opportunities for increasing funds for the school, such as, grants and fundraising • The school provides sufficient personnel, materials, and fiscal resources to comply with applicable regulations

<b>Overarching S.M.A.R.T. Goal (s) (Specific, Measurable, Achievable, Relevant, and Timely):</b>	<b>Goal(s) Met?</b>	
<b><i>By the end of the school year, the school is economically sustainable, as measured by the school budget.</i></b>	• YES	• NO

## Operating Structures

### ESTABLISH Goals: SCHOOL DEVELOPMENT

The school team is committed to offering parents more high quality options for their children’s education by equipping their children to become 21<sup>st</sup> Century learners using 21<sup>st</sup> Century tools The school provides a rigorous, relevant education that is innovative and forward thinking • A focused inventory of school resources (print materials, software, hardware, etc.) is created and maintained • School has clear policies, practices, and procedures outlined in school handbook • Hiring practices reflect a routine for recruiting, employing, and mentoring qualified professional staff that are capable of fulfilling assigned roles and responsibilities • Collection and dissemination of data is processed and protected under FERPA • Adequate infrastructure allows schools to operate systems • Master Schedule is developed to ensure appropriate time for optimal learning and planning • Professional learning opportunities are strengthened by having a PLC network to share experiences, successes, and techniques for improved learning • Leaders and staff have opportunities to assume new or greater responsibilities within the school and the organization • Staff builds strong relationships with the school’s governing board and authorizing agencies • Strong communication systems promote school priorities, celebrate successes and inform stakeholders • The school routinely maintains the site, facilities, services, and equipment to provide an environment that is safe and orderly for all occupants • Monitoring and accountability systems are in place to foster a supportive school environment

<b>Overarching S.M.A.R.T. Goal (s) (Specific, Measurable, Achievable, Relevant, and Timely):</b> By the end of the school year, the overall agreement rate (strongly agree and agree) for School Development survey items will maintain 91%, or increase, as measured in the Imagine Schools Student, Staff and Family Surveys.	<b>Goal(s) Met?</b>	
	• YES	• NO

**Imagine Schools Mission Statement**

*As a national family of non-profit public charter school campuses, Imagine Schools partners with parents and guardians in the education of their children by providing high quality schools that prepare students for lives of leadership, accomplishment, and exemplary char*

### **School Vision and Mission Statements**

<b>Vision</b> <small>(A vision statement indicates what the school should ideally “look like” and what it is trying to achieve aligned with the organization’s values and culture.)</small>	<b>Mission</b> <small>(A mission statement indicates the responsibilities of the organization toward their stakeholders; what the school is charged to do and its purpose.)</small>	<b>Character Development Mission</b> <small>(A Character Development Mission supports the School’s Mission Statement and provides focus and direction for the school’s character development efforts. It specifies the moral, performance, and civic values taught to students and agreed by stakeholders.)</small>
<p>Imagine School at North Port is a safe, disciplined and productive environment that brings choice and a balance of academic and moral education to our local community. We utilize the Imagine Schools Six Measures of Excellence as guiding principles to obtain the following for our school:</p> <p><b>Shared Values of Integrity, Justice and Fun</b> – School stakeholders possess the ability to design their role in contributing toward their own success as well as the success of others in our school community. Our school is a place where we can develop an overarching belief that success is a possibility, and consequently take great joy in owning part of the decision making process.</p> <p><b>Academic Achievement</b> – Students will be exposed to and challenged by a curriculum which balances fundamental skill development with critical thinking and inquiry-based acquisition of knowledge and perspective. Teachers will harness their love of children combined with a passion for learning into the creation of a pedagogy which constantly measures our daily instructional practices against what is best for our students. The school will in a thoughtful and meaningful fashion construct a path for learning and growth of our students which transcends standardized testing and fosters a skill set that ensures success inside and outside of the classroom.</p> <p><b>Positive Character Development</b> – School staff model and instruct students in the core values required to become a moral, upstanding citizen of our nation. Students experience high expectations for moral development from the school community, and are able to learn from an effective curriculum paired with an ability to practice these values through school facilitated peer interactions, community service and student leadership opportunities.</p> <p><b>Economic Sustainability</b> – School combines an urgent need to provide students with instructional materials and support items which will facilitate their education, with a shared understanding to prioritize our expenditures according to the needs of students, live within our budget, and model fiscal responsibility with public funds. Developing business partnerships and symbiotic relationships with the local community will assist in this effort.</p> <p><b>Parent Choice and Satisfaction</b> – Our parents experience satisfaction due to the progress of their children. They work cooperatively with school personnel to establish</p>	<p>The Mission of Imagine School at North Port is to educate all students in a safe, supportive, individualized and challenging environment where they can learn to be contributing citizens of our community.</p>	<p>School staff model and instruct students in the core values required to become a moral, upstanding citizen of our nation. Students experience high expectations for moral development from the school community, and are able to learn from an effective curriculum paired with an ability to practice these values through school facilitated peer interactions, community service and student leadership opportunities.</p>

goals and priorities. They feel welcomed and valued as partners in the educational process, and perennially choose our school as the best and most suitable fit for their children’s educational needs.

**School Development** – School Community concentrates on a systematic and systemic pattern of gestalt continuous improvement which entrenches our place as a beacon of high quality education within our community, with the ultimate result being a school which operates at full capacity, thereby maximizing the positive impact of our school community in the local community and surrounding area.

### ***School Profile and Demographics***

**Brief History and Background of the School**

(Include when school was established, where it is situated, physical environment, initiatives over the years, awards achieved, challenges faced, Grades for Measures of Excellence, partnerships and grants.) Update each year with new information on challenges and successes.

Imagine School at North Port opened in August 2008. Originally a kindergarten through grade six school, we added a grade each year up through 2015 when we graduated our first class of seniors. Since the 2014-2015 school year, we have been a k-12 school located on two campuses servicing almost 1200 students.

As the 2018-2019 school year begins, we are a “B” school according to the State of Florida, with over 650 students at the Upper Campus in grades 6-12. We continue to increase our enrollment in the high school grades since the previous school year with waiting lists at some grade levels.

For the new year, we have expanded our High School course offerings in the field of Science with the addition of AP Chemistry and Environmental Science classes. Additionally we have added personal finance at the high school level to support the financial literacy of our students. Our relationships with Suncoast Technical Center (STC) and State College of Florida (SCF) has increased the offerings for high school students to access either dual enrollment classes and industry certified courses. We have increased the number of students attending these programs from 19 in 2017-2018 to 43 or 2018-2019.

**Student Demographics**

(Describe the community of students that the school serves, e.g. total enrollment and grade level enrollment, % of Free or Reduced Lunch Eligibility, % Special Education Students, % English Language Learners, and % by Race/Ethnicity.)

**Breakdown of Student Population by Grade**

	6th Grade	7th Grade	8th Grade	9th Grade	10th Grade	11th Grade	12th Grade	Total
<b>2018-2019</b>	18%	16%	16%	14%	14%	13%	9%	651

**Student Demographics**

Year	Free and Reduced Lunch	Special Education	ELL	Race/Ethnicity Asian	Race/Ethnicity Black	Race/Ethnicity Hispanic	Race/Ethnicity Multi	Race/Ethnicity White
<b>2016-2017</b>	53%	7%	1%	2%	5%	12	4%	75%

<b>2017-2018</b>	52%	8%	1%	2%	7%	14%	4%	73%
<b>2018-2019</b>	52%	12%	1%	3%	7%	14%	4%	72%

**Staff Demographics**

(Specify number of staff members and indicate roles. For instructional staff: include % of new teachers, % of teachers with 1-5 years and 6 + years of experience, % of teachers with advanced degrees, and % of teachers with specialized certifications.)

The instructional staff at The Imagine School Upper Campus consists of 44 instructional and administrative staff members. This includes teachers, School Counselor, testing coordinator, student support personnel, Dean of Instruction, Assistant Principal and Principal. The Imagine School has 2% new teachers, 40% teachers with 1-5 years of experience, and 58% teachers with 6+ years of experience. The Imagine School has 25% of its teachers with advanced degrees.

**Needs Assessment**

**DATA & 3 YEAR TRENDS**

**ANALYZE & PRIORITIZE NEEDS**

**Shared Values**

- Imagine Schools Staff, Student, and Parent Survey items related to Shared Values
- Other quantitative data: staff retention, in-house surveys
- Other qualitative data: testimonials, observations
- SEPR rating

**Shared Values**

- Areas of strength and growth
- SEPR & NACT recommendations
- Use this analysis to identify areas for improvement in the **EQUIP** section for each goal

Longitudinal Teacher Retention Rates						
Year	Total number of teachers	Number of returning teachers	Number of teachers not asked to return	Number of teachers choosing not to return	Intentional teacher retention rate	Actual Teacher retention rate
2016-17	38	34	0	4	100%	89%
2017-18	38	32	3	3	92%	84%
2018-19	37	29	2	6	95%	78%

We have made gains in our survey results for students in the reporting category of shared values with an increase of two percent from the previous year. This still presents a weakness in the students responses to shared values when compared to staff and family surveys.

We have a strength in the area of shared values as shown in the parent survey at 94% agreement rates. Staff surveys have seen a dip of just over 2%. We developed committees for the 2018-2019 school year to support the teachers having a vested interest in the school and the decision making that occurs on campus. Each of the committees represents one of the six measures of excellence. While one group is specifically focused on initiatives to support shared values, together, all the committees will support the development of shared values throughout the school.

Longitudinal Data on Shared Values Measured by the Overall Agreement Rate for the Category			
Year	Students	Staff	Families
2016-17	68	88	95
2017-18	70	85.8	93.8

Grade	A	A	A

Longitudinal Family Survey Agreement Rates						
Year	Performance Character	Moral Character	Civic Character	Culture and Climate	School Development	Shared Values
2016-2017	91.7	90.4	91.9	93.3	NA	95
2017-2018	88.8	87.8	92.9	89.2	90.1	93.8

Attendance Rates			
Year	2015-2016	2016-2017	2017-2018
Attendance Rates	94%	94.04%	95.73%

Referral Data by Grade							
	6th Grade	7th Grade	8th Grade	9th Grade	10th Grade	11th Grade	12th Grade
Number of Referrals	125	85	85	73	76	71	61
Percent of Total Referrals	22%	15%	15%	13%	13%	12%	11%
Suspension Rates (in and out)	16	15	25	15	13	12	8

Re-enrollment rates continue to be high with over 650 students on the upper campus and we work to maintain our student population and fill empty seats as they become available. At the high school levels, this task is not a function of the grade of the student but more a function of being able to generate schedules that meet the needs of incoming students.

Parent satisfaction across the campus is evident by the agreement rates on the parent surveys where all categories have an agreement rate of 87.8% or higher. This past year we had a higher completion rate on parent surveys via the use of paper copies rather than electronic surveys. The increase in completion rates leads to greater validity in the results.

The area where we show any scores below 80% positive agreement is in communication with parents regarding students growth towards goals in academic or character education.

One of the six measures committees is devoted to parent choice and parent satisfaction. They have been tasked with opening communication with families and reaching out with school level events that connect the home, school and community.

### Needs Assessment

Imagine School at North Port’s Upper Campus participated in 14 State Standardized Assessments as shown in the chart on the left. As a 6-12 campus, most subject areas assessments are held by the a single teacher who instructs all the students within the grade. Of the 14 assessments taken, our campus has shown growth in the proficiency rates of eight of the assessments (noted in green) with two additional assessment holding within two points of the previous year (noted in yellow). Of the remaining four assessments, three were teachers who were either first year in the new curricular area or first year to teaching.

Within our assessments, we have strength in the area of mathematics. With the focused work completed last year as a PLC, the math team was successful in gaining proficiency points in all but one grade, including Algebra and Geometry. The progress monitoring supported the teachers instruction. Continued efforts will be focused in the area of progress monitoring with a focus on the lowest quartile students and aligning real-world application to the skill-set being developed.

English Language Arts presented as an area of weakness not only with regards to the students proficiency rates across the grades but more specifically the learning gains in the lowest quartile. Efforts are needed to ensure effective progress monitoring and the implementation of intervention support is necessary to impact growth. Understanding who these students are and what needs they have in the classroom is critical to their success as a student.

While we do see the deficit in the area of Biology this past year, it is important to note that it was the teacher’s first year in the curriculum. We have a new teacher within the two assessed content areas for the current school year. This is causing a need to revisit standards and test specifications along with aligning question stems to match structure of in class assessments.

## Building a Culture of High Expectations

### ESTABLISH Goals: SHARED VALUES

Stakeholders develop a shared vision and mission and have a clear understanding of their roles and responsibilities • Stakeholders commit to Imagine Schools Shared Values of **Justice, Integrity and Fun**, which provide direction and purpose for work • When making decisions, stakeholders put major emphasis on getting advice from colleagues and leaders • Staff attitudes and perceptions are assessed regularly • Roles and responsibilities for multi-levels of leadership are defined • Instructional leader guides and coordinates a school culture of positive character development and academic growth • Stakeholders commit to the priorities of the Six Measures of Excellence • A School Excellence Plan (SEP) is developed collaboratively to provide one plan that bridges other accountability plans into a clear focus for the year • All stakeholders work collaboratively to meet goals established in SEP • Stakeholders monitor progress towards goals • The Academic Excellence Framework (AEF) is embedded into the culture of the school

<b>Overarching S.M.A.R.T. Goal (s) (Specific, Measurable, Achievable, Relevant, and Timely):</b> <i>By the end of the school year, the overall agreement rate (strongly agree &amp; agree) for Shared Values survey items will be at least 72% in the Imagine Schools Student Surveys.</i>	<b>Goal(s) Met?</b>	
	• YES	• NO

### EQUIP with an Implementation Action Plan: SHARED VALUES

Identify the area(s) for improvement from needs assessment - along with the data from which it is based	ACTION STEPS (Implementation initiatives and strategies)	Tools and Resources	Timeframe for expected implementation	Person(s) responsible for implementation	Identify how you will measure the effectiveness of the strategy/initiative
63% of the students agree with the survey item "I am learning about Imagine's Shared Values."	Increase visibility of the terminology and examples of the Shared Values at work	Common Signage Bulletin Boards	Ongoing	Shared Values Committee	Monitor content of the boards for quality examples of shared values
	Implement a Shared Values section into the newsletter	Constant Contact	Weekly	John Halcomb	Survey students quarterly for understanding
	Increase opportunities for students to participate in shared values		Monthly		Meeting Minutes

2018 – 2019 SCHOOL EXCELLENCE PLAN

67% of the students agree with the survey item “My teachers help me connect what I am learning in class to life outside of the classroom.”	Board Configuration to include real world application when appropriate	Board configuration	Second Quarter	Pattie Forcier, John Halcomb	Survey Results
	Career Fair	Community Resources parents	Third Quarter	Shared Values Committee	Walkthrough data for efficacy and student understanding
	Integrate aligned career personnel into all classes at least once per year		By the End of Year	Misty Midgett	Exit surveys from students  Newsletter Blurbs/social media posts

**EQUIP with Professional Learning Opportunities: SHARED VALUES**

Topic	Delivery Type (PLC, Book Study, Workshop, Webinar, Course, Module)	Facilitator & Audience	PL Cycle Timeframe (Delivery, Practice, Observation/Feedback, Model/Coaching)	Person responsible for supporting & monitoring
Shared Values	PLC	Committee /Forcier- All Staff	October	committee members

**ENGAGE in Implementation: SHARED VALUES**

Document implementation efforts and describe progress so far, to include quantifiable implementation data. Are initiatives or strategies aligned with established goal? How is progress monitored and tracked? Revise efforts as needed in order to meet goals.
<u>Progress Monitoring I</u>
<u>Progress Monitoring II</u>

**EVALUATE Efforts: SHARED VALUES**

Gather and analyze current data. Did you meet your goal(s)? Document your outcomes below and mark the appropriate box (Yes or No) in the EQUIP section for each goal.

--

**SHARED VALUES Next Steps:** Based on your outcomes, identify areas of strength and areas in need of improvement to determine initial steps for the following year’s needs assessment process.

--

## Building a Culture of High Expectations

### ESTABLISH Goals: CHARACTER DEVELOPMENT – SCHOOL CULTURE/CLIMATE

All stakeholders are committed to building a culture of high academic and character expectations and agree on a set of moral, performance, and civic character values to be upheld by the school community • Character values are clearly and consistently modeled and integrated into every aspect of the school day • A physically and emotionally safe and supportive school-wide learning environment, based on mutual respect and fairness, is established and upheld • Teachers exhibit cultural responsiveness and use a growth mindset to build students’ sense of belonging to the school community • Students will learn the Character and Social-Emotional Learning skills to help them serve as leaders, decision makers, and role models to their younger peers • Appropriate methods of recognition are employed to foster intrinsic motivation in staff and students • Successes that bring attention to the school’s vision, mission and goals are celebrated • Teachers model, reinforce, and convey expectations for habit-building routines that operate consistently across the school and in each classroom • Staff use a positive approach to school and classroom discipline that is consistent with character values and includes restorative/peace building practices • The school routinely assesses its culture and climate, the functioning of its staff as character educators, and the extent to which students manifest good character • The school emphasizes an optimal learning environment that is inclusive and culturally relevant to all students by reflecting students’ unique home and community backgrounds

<b>Overarching S.M.A.R.T. Goal (s) (Specific, Measurable, Achievable, Relevant, and Timely):</b> <i>By the end of the school year, the overall agreement rate (strongly agree &amp; agree) for School Culture/Climate survey items will be at least 78%, as measured in the Imagine Schools Student Surveys.</i>	Goal(s) Met?	
	• YES	• NO

### EQUIP with Implementation Action Plan: CHARACTER DEVELOPMENT – SCHOOL CULTURE/CLIMATE

Identify the area(s) for improvement from needs assessment - along with the data from which it is based	ACTION STEPS (Implementation initiatives and strategies)	Tools and Resources	Person(s) responsible for implementation	Identify how you will measure the effectiveness of the strategy/initiative
The trend of surveys indicates that students want to be treated with respect and communicated with about academic and character growth	Student Spotlights, student exemplars, Service projects	newsletter, social media	Character Committee Leadership Team Team Leaders	feedback, newsletters, Imagine That Showcase
School safety and Mental Health	SRO on campus, more secure entrances, name badges/ID worn, school safety presentations, Social Emotional curriculum	electronic door access, Social Emotional Curriculum, Threat assessment team	Leadership Team, SRO Licata, School Counselor, School Psychologist, Social Studies teachers, Hammerheads	Google form survey results from presentations, DESSA results

### EQUIP with Professional Learning Opportunities: CHARACTER DEVELOPMENT – SCHOOL CULTURE/CLIMATE

Topic	Delivery Type (PLC, Book Study, Workshop, Webinar, Course, Module)	Facilitator & Audience	PL Cycle Timeframe (Delivery, Practice, Observation/Feedback, Model/Coaching)	Person responsible for supporting & monitoring

Character Committee	Required Periodic meetings to discuss character development activities on Campus	Tiffany Conley and teachers	August 2019-May 2019	Tiffany Conley
Joy at Work	Book Study	Jeremy Fant will facilitate and all new hires will participate	Semester 2	Jeremy Fant

**ENGAGE in Implementation: CHARACTER DEVELOPMENT – SCHOOL CULTURE/CLIMATE**

Document implementation efforts and describe progress so far, to include quantifiable implementation data. Are initiatives or strategies aligned with established goal? How is progress monitored and tracked? Revise efforts as needed in order to meet goals.

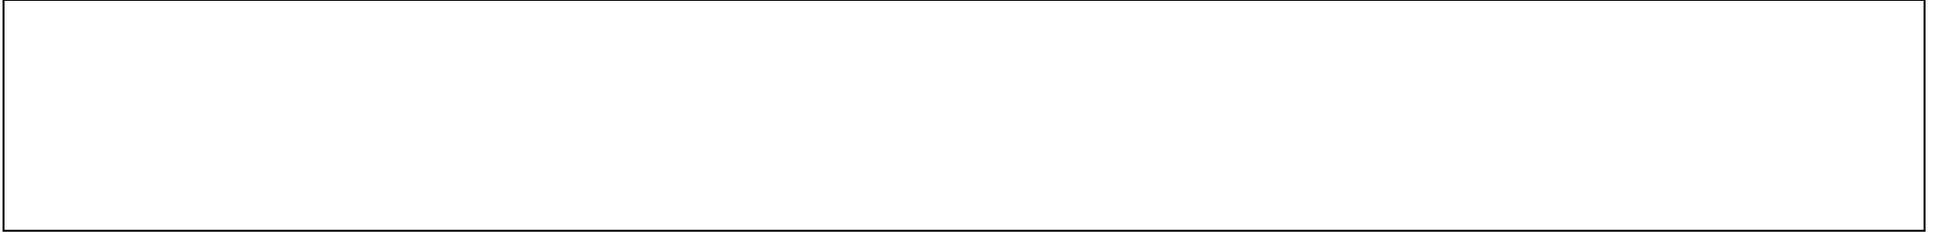

Progress Monitoring I

Progress Monitoring II

**EVALUATE Efforts: CHARACTER DEVELOPMENT – SCHOOL CULTURE/CLIMATE**

Gather and analyze current data. Did you meet your goal(s)? Document your outcomes below and mark the appropriate box (Yes or No) in the EQUIP section for each goal.

**CHARACTER DEVELOPMENT-SCHOOL CULTURE/CLIMATE Next Steps:** Based on your outcomes, identify areas of strength and areas in need of improvement to determine initial steps for the following year’s needs assessment process.

## Building a Culture of High Expectations

### ESTABLISH Goals: PARENT CHOICE

School staff and parents/guardians partner in the process of continual school evaluation and improvement • School thoughtfully promotes parents/guardians ability to understand, articulate, and support the school’s vision and mission • School provides opportunities for parents/guardians to contribute to a respectful, transparent school culture that reinforces high expectations • School invites parents to join in planning, organizing, and creating rich, rewarding experiences for students • Parents/guardians are well informed and knowledgeable about their child’s progress and about the school’s educational program • Parents/guardians attend meaningful school programs focused on enhancing home academic support • School/home partnership is enhanced through frequent, clear and substantive school/home communication • Parents/guardians learn about the unique program and activities offered by the school, which emphasizes how character development positively impacts student’s academic responsibility and success • Parents/guardians and the local community form partnerships with the school to promote character initiatives

<b>Overarching S.M.A.R.T. Goal (s) (Specific, Measurable, Achievable, Relevant, and Timely):</b> <i>By the end of the school year, 93% of students will re-enroll, as measured by completed enrollment forms.</i>	<b>Goal(s) Met?</b>	
	• YES	• NO

### EQUIP with Implementation Action Plan: PARENT CHOICE

Identify the area(s) for improvement from needs assessment - along with the data from which it is based	ACTION STEPS (Implementation initiatives and strategies)	Tools and Resources	Timeframe for expected implementation	Person(s) responsible for implementation	Identify how you will measure the effectiveness of the strategy/initiative
Increase parent attendance for school-wide events	Restructure Open-House to increase flexibility in timing for parents and showcase student work	Student work displays	October 2018	Parent Choice Committee and whole staff	Attendance count by event
Increase opportunities for parents to learn about the school and their child’s education	Develop parent information nights on a variety of topics throughout the year	TBD by event	Monthly	Guidance, YM, Team Leaders, Leadership Team	Attendance count by event

### EQUIP with Professional Learning Opportunities: PARENT CHOICE

Topic	Delivery Type (PLC, Book Study, Workshop, Webinar, Course, Module)	Facilitator & Audience	PL Cycle Timeframe (Delivery, Practice, Observation/Feedback, Model/Coaching)	Person responsible for supporting & monitoring

<b>PARENT CHOICE Next Steps:</b> Based on your outcomes, identify areas of strength and areas in need of improvement to determine initial steps for the following year’s needs assessment process.				

## Teaching & Learning

### ESTABLISH Goals: ACADEMIC GROWTH – TEACHING & LEARNING FUNDAMENTALS

A common, coherent, viable curriculum based on standards and integrated across the subject areas is followed by all teachers through a year-at-a-glance, integrated curriculum maps, pacing guides and unit plans • An effective lesson plan is developed to include; setting clear objectives, advance cues, questions and organizers, direct instruction, guided practice, checks for understanding and independent practice, as well as character integration • Effective resources are identified and used with fidelity and maintained over time for adequate practice and implementation • The delivery of a rigorous lesson engages students in creative thinking, problem solving and skilled communication • Teachers engage in rigorous instruction through higher order questioning, discussions and project-based learning • Students apply critical thinking by identifying similarities and differences • Students are motivated to generate and test hypotheses through inquiry-based instruction • Students make sense of content through summarizing and note taking • Teachers and students construct nonlinguistic representations for mental imagery • Students have opportunities to apply 21<sup>st</sup> Century skills • Teachers provide ample opportunities for deliberate practice • Teachers check for understanding through formative and summative assessments • Learning is personalized through a sophisticated use of data for differentiated instruction • Teachers help students become independent self-directed learners

<b>TEACHING &amp; LEARNING</b> Overarching <b>S.M.A.R.T. Goal (s)</b> (Specific, Measurable, Achievable, Relevant, and Timely): <i>By the end of the school year, at least 88% of teachers will demonstrate effective or highly effective teaching, as measured by the Sarasota County Pride Rubric.</i>	Goal(s) Met?	
	• YES	• NO

### EQUIP with Implementation Action Plan: ACADEMIC GROWTH - TEACHING & LEARNING FUNDAMENTALS

Identify the area(s) for improvement from above	ACTION STEPS (Implementation initiatives and strategies)	Tools and Resources	Timeframe for expected implementation	Person(s) responsible for implementation	Identify how you will measure the effectiveness of the strategy/initiative
Increase engagement strategies within the classroom setting to support students feeling engaged during lessons	strategy of the week	List of strategies and applications to different contents	Beginning in October then Weekly	Forcier	Walkthrough data on levels of engagement and use of engagement strategies

### EQUIP with Professional Learning Opportunities: ACADEMIC GROWTH - TEACHING & LEARNING FUNDAMENTALS

Gather and analyze current data. Did you meet your goal(s)? Document your outcomes below and mark the appropriate box (Yes or No) in the EQUIP section for each goal.

**ACADEMIC GROWTH - FUNDAMENTALS Next Steps:** Based on your outcomes, identify areas of strength and areas in need of improvement to determine initial steps for the following year’s needs assessment process.

## Teaching & Learning

### ESTABLISH Goals: ACADEMIC GROWTH - READING

Teachers utilize the reading pacing guides to collaboratively plan rigorous lessons that integrate the literacy focus strategies and use researched based reading tools to ensure that lessons are standards-driven, cohesive and correctly paced • Teachers unpack the reading standards in weekly horizontal and vertical planning and align their resources appropriately for ongoing assessment and progress monitoring • A ninety minute reading block includes the elements of guided reading with whole group, small group and organized activities for independent practice • A clear purpose for reading is established and direct teaching of skills (phonemic awareness, phonics, vocabulary, comprehension and fluency) occurs • Adherence to the Common Core State Standards shifts is evident with a true balance of literary and informational texts in classroom libraries, read-alouds and during instruction • Content area teachers outside of the ELA classroom emphasize literacy experiences in their planning and instruction

Overarching <b>S.M.A.R.T. Goal(s)</b> (Specific, Measurable, Achievable, Relevant, and Timely):	Goal(s) Met?	
	• YES	• NO
<ul style="list-style-type: none"> <li>• <b><i>By the end of the school year, the mean Reading Learning Gain for all students will improve from 0.97 to 1.00, as measured by the Fall to Spring STAR Reading Assessment.</i></b></li> <li>• <b><i>By the end of the school year, 54% of students in grade 6 will be at a Proficient Level or higher, as measured by the Reading State Assessment.</i></b></li> <li>• <b><i>By the end of the school year, 62% of students in grade 7 will be at a Proficient Level or higher, as measured by the Reading State Assessment.</i></b></li> <li>• <b><i>By the end of the school year, 72% of students in grade 8 will be at a Proficient Level or higher, as measured by the Reading State Assessment.</i></b></li> <li>• <b><i>By the end of the school year, 67% of students in grade 9 will be at a Proficient Level or higher, as measured by the Reading State Assessment.</i></b></li> <li>• <b><i>By the end of the school year, 68% of students in grade 10 will be at a Proficient Level or higher, as measured by the Reading State Assessment.</i></b></li> </ul>	• YES	• NO
Increase proficiency rate in the reporting category of Key Ideas and Details in grades 6-8 from 52 to 56%.	• YES	• NO
Increase proficiency rate in the reporting category of Integration of Knowledge and Ideas in grades 9-10 from 52 to 56%.	• YES	• NO
Increasing learning gains for lowest quartile from 32% to 36% in grades 6-10.	• YES	• NO

**EQUIP with Implementation Action Plan: ACADEMIC GROWTH - READING**

Identify the area(s) for improvement from needs assessment - along with the data from which it is based	ACTION STEPS (Implementation initiatives and strategies)	Tools and Resources	Timeframe for expected implementation	Person(s) responsible for implementation	Identify how you will measure the effectiveness of the strategy/initiative
Increase focused instruction on the reporting category of Key Ideas and Details	Close Reading/ Reading with a purpose Implement question stems aligned with reporting category	HMH USA Test prep Readworks	All Year	Tollar and Forcier	STAR data/ USA test prep progress monitoring/ Classroom assessments
Increase exposure to integration of knowledge and ideas through comparative analysis	Layer text pieces for common elements with graphic organizers	HMH USA Test Prep NewsELA	Ongoing	Bratt and Forcier	USA Test Prep/progress monitoring/classroom assessments
Increase Intervention and progress monitoring for lowest quartile (LQ) students	Identification of lowest quartile students Implement intervention structure for LQ students	HMH USA Test Prep STAR DRA	October	ELA team with Interventionist support	Progress Monitoring through the use of STAR and USA Test Prep

**EQUIP with Professional Learning Opportunities: ACADEMIC GROWTH - READING**

Topic	Delivery Type (PLC, Book Study, Workshop, Webinar, Course, Module)	Facilitator & Audience	PL Cycle Timeframe (Delivery, Practice, Observation/Feedback, Model/Coaching)	Person responsible for supporting & monitoring
Unpack standards for reporting category of key idea and details with focus on aligning question stems	PLC	Forcier, Tollar, Watterson, Wiseman	Quarter 2	Forcier, Tollar
Unpack standards for reporting category of integration of knowledge and ideas, develop	PLC	Forcier, Bratt, Fields	Quarter 2	Forcier, Bratt

**ENGAGE in Implementation: ACADEMIC GROWTH - READING**

Document implementation efforts and describe progress each quarter. Are initiatives or strategies aligned with established goal? How is progress monitored and tracked? Include quantifiable data, such as teacher observation data, student achievement data (STAR mid-term and winter reports). Revise efforts as needed in order to meet goals.

## Teaching & Learning

### ESTABLISH Goals: ACADEMIC GROWTH – MATH

Teachers utilize the mathematics pacing guides to collaboratively plan rigorous lessons that integrate the literacy focus strategies and use researched based math tools to ensure that lessons are standards-driven, cohesive and correctly paced • Teachers unpack the math standards in weekly horizontal and vertical planning and align their resources appropriately for ongoing assessment and progress monitoring • Procedural skills as well as conceptual understanding are taught • A sixty to ninety minute math block includes the elements of guided math with whole group, small group and organized activities for independent practice • Students study algorithms as “general procedures” in order to gain insights to the structure of mathematics (e.g. organization, patterns, predictability) • Students are able to apply a variety of appropriate procedures flexibly as they solve problems • Students have opportunity to develop the eight mathematical practices: Make sense of problems and persevere in solving them, Reason abstractly and quantitatively, Construct viable arguments and critique the reasoning of others, Model with mathematics, Use appropriate tools strategically, Attend to precision, Look for and make use of structure, and Look for and express regularity in repeated reasoning

Overarching <b>S.M.A.R.T. Goal (s)</b> (Specific, Measurable, Achievable, Relevant, and Timely):	Goal(s) Met?	
	<ul style="list-style-type: none"> <li>• <b>By the end of the school year, the mean Math Learning Gain for all students will improve from 0.99 to 1.02, as measured by the Fall to Spring STAR Math Assessment.</b></li> <li>• <b>By the end of the school year, 51% of students in grade 6 will be at a Proficient Level or higher, as measured by the Math State Assessment.</b></li> <li>• <b>By the end of the school year, 61% of students in grade 7 will be at a Proficient Level or higher, as measured by the Math State Assessment.</b></li> <li>• <b>By the end of the school year, 71% of students in grade 8 will be at a Proficient Level or higher, as measured by the Math State Assessment.</b></li> <li>• <b>By the end of the school year, 74% of students will be at a Proficient Level or higher, as measured by the Algebra EOC State Assessment.</b></li> <li>• <b>By the end of the school year, 81% of students will be at a Proficient Level or higher, as measured by the Geometry EOC Math State Assessment.</b></li> </ul>	• YES
	• YES	• NO
Increasing learning gains for lowest quartile in mathematics from 52% to 56% across all grade levels.	• YES	• NO
	• YES	• NO

## Teaching & Learning

### ESTABLISH Goals: ACADEMIC GROWTH – WRITING

Teachers utilize the writing pacing guides to collaboratively plan rigorous lessons that integrate the literacy focus strategies and use researched based writing tools to ensure that lessons are standards-driven, cross-curricular, cohesive and correctly paced • Teachers unpack the writing standards in weekly horizontal and vertical planning and align their resources appropriately for ongoing assessment and progress monitoring • A thirty minute writing block includes the elements of writer’s workshop with direct instruction, independent writing, teacher and peer conferencing and shared experiences • The importance of the writing-reading connection is stressed by requiring students to draw upon and write about evidence from literary and informational texts • Student writers use evidence from research (including the text being read) to support their opinions • Annotated samples of exemplary student writing (rubrics) accompany the standards and help establish adequate performance levels in writing arguments, informational/explanatory (expository) texts, and narratives in the various grades

Overarching <b>S.M.A.R.T. Goal (s)</b> (Specific, Measurable, Achievable, Relevant, and Timely):	Goal(s) Met?	
<b><i>By the end of the school year, the average writing score on the Text-Based writing portion of the State Assessment will be a 7 or higher for all students in grades 6-10.</i></b>	• YES	• NO
Increase the reporting category of Evidence and Elaboration from 2.63/4 to 2.79/4 in grades 6-10	• YES	• NO
(Insert Supporting Goal # 2, as needed. Insert more rows as needed)	• YES	• NO

## Teaching & Learning

### ESTABLISH Goals: MORAL CHARACTER DEVELOPMENT

**Moral Character Development: The teaching and learning of values that help students act in ethical ways and engage in positive relationships with others**  
 Teachers and staff take intentional steps to model, teach, and reinforce moral character values, such as, respect, honesty, fairness, kindness, self-control, integrity, etc. • Teachers provide opportunities for students to practice and internalize moral character values • Teachers integrate moral character values in lessons and activities across content areas • A physically and emotionally safe and supportive classroom learning environment, based on mutual respect and fairness, is established and upheld • Teachers take intentional efforts to create a classroom community that fosters a sense of belonging and collective solidarity where students hold each other accountable to act appropriately and with integrity • Teachers build positive relationships with students and learn about their interests and passions • Students are given opportunities to interact with peers and practice the Character and Social-Emotional Learning (SEL) skills required to develop positive relationship with others • Students learn the Character and SEL skills to resolve conflicts peacefully • Teachers use a positive approach to classroom management that is consistent with character values and includes reflective, restorative and peace building practices • Teachers create a classroom environment that is inclusive and culturally relevant to all students

<u>Overarching S.M.A.R.T. Goal (s) (Specific, Measurable, Achievable, Relevant, and Timely):</u> <i>By the end of the school year, the overall agreement rate (strongly agree &amp; agree) for Moral Character Development survey items will be at least 72%, as measured in the Imagine Schools Student Surveys.</i>	<b>Goal(s) Met?</b>		
	<table style="margin: auto;"> <tr> <td style="padding: 0 10px;">• YES</td> <td style="padding: 0 10px;">• NO</td> </tr> </table>	• YES	• NO

<b>CIVIC CHARACTER DEVELOPMENT Next Steps:</b> Based on your outcomes, identify areas of strength and areas in need of improvement to determine initial steps for the following year's needs assessment process.

## Operating Structures

### ESTABLISH Goals: ECONOMIC SUSTAINABILITY

School leadership balances school expenditures and revenues so that they live within their means annually and over the long-term • School leaders, staff and the governing board are actively engaged in creating, discussing, and amending their budget based on the current enrollment and per-student disbursement from each locality or state • The school routinely ensures that the school staff has opportunities to review the budget, learn about school finances and participate in economic decisions • Stakeholders work hard to eliminate inefficiencies and prioritize expenditures based on needs where they most benefit teaching, learning, and school growth • Stakeholders research other opportunities for increasing funds for the school, such as, grants and fundraising • The school provides sufficient personnel, materials, and fiscal resources to comply with applicable regulations

Overarching **S.M.A.R.T. Goal (s)** (Specific, Measurable, Achievable, Relevant, and Timely):

*By the end of the school year, the school is economically sustainable, as measured by the school budget.*

**Goal(s) Met?**

• YES      • NO

### EQUIP with Implementation Action Plan: ECONOMIC SUSTAINABILITY

Identify the area(s) for improvement from needs assessment - along with the data from which it is based	ACTION STEPS (Implementation initiatives and strategies)	Tools and Resources	Timeframe for expected implementation	Person(s) responsible for implementation	Identify how you will measure the effectiveness of the strategy/initiative
Fundraising for one to one technology usage in middle school as well as high school. Many middle school teachers wish to use technology, but do not always have access because of the limited amount of chromebooks available to them.	Creating business partnerships that allow for fundraising events - I.e. Bingo Nights, Silent Auctions, T-shirt./Swag sales  Apply for technology grants.	-Boosters Club members - School Staff and Administration	By next school year.	The Economic Sustainability Committee  Grant Writing - Eva Edukonis & Christina Mennella	Trish Godwin will collect monies and have them allocated for the purchase of new technology
