

CLASS TOPICS (continued)

Emergencies and Preparation — Every year from May through November, we hear about the need to prepare ourselves and our homes for hurricane season. Do you really know what to do, and do you do it? Do you know what supplies to include in your hurricane kit? We are so dependent on our comfy homes and having all the utilities there when we flip a switch or turn a knob. Do you know what food to stock up on? What if you run out of bottled water; do you know how to treat water so it is safe to use? What would you do if basic services like electricity or water were unavailable? Where would you store your emergency kit so you can get to it quickly? Do know where you would go if you had to suddenly leave your home? Learn how to assemble an emergency supply kit and other ways to prepare for emergencies. This class will offer tips and realistic ways to prepare for unexpected disasters such as hurricanes.

CLASSROOM ON WHEELS

CLASSROOM ON WHEELS is a school bus-based traveling classroom offering weekly half-day field trips throughout Sarasota and Manatee Counties. Since 1974, we have been providing an in-depth look into local business and industry, social services, government, religion, education, arts and culture, as well as history.

Celebrating our 46th year in serving the community, we have visited and/or educated our students on over 1,400 places and people. Choose from Wednesday, Thursday or Friday morning sessions.

New to the community?

This class provides the perfect introduction to the greater Sarasota area.

Longtime resident?

Find a new perspective as you experience your changing and growing community.

REGISTER FOR an opportunity to meet the people who shape the community while traveling to local destinations you may not have even known existed. We are sure you'll gain a new found appreciation for this amazing place we all call home.

Bus Pick-Up Location

Park on the Suncoast Technical College campus at 4748 Beneva Road. Enter the campus off Proctor Road and drive to the northwest corner across from Building 5. Park near the fence that is adjacent to the ball fields. Look for the green

CLASS TOPICS

Late Spring 2019/Series #176

The Thrill of Flight – We will meet with the members of the **Sarasota RC Squadron** at their flying field. The group was created in May 2014 to fly their radio-controlled planes. Bring your folding chair or stool and watch the planes taxi to take off, fly various aerial maneuvers, and land. Bring your cameras. If your hearing is sensitive to the buzz of the planes, bring ear-plugs.

New Home for Books and More — We will visit the newest public library in Sarasota County: the **William H. Jervy, Jr. Venice Public Library**. Built for approximately \$8.8 million, the library was dedicated on December 15, 2018. We will learn who William H. Jervy, Jr. is and his importance to the Venice area. We look forward to seeing all that this new library has to offer.

Make an Entrance, Make an Impact — This is the motto of **The Players Centre for Performing Arts**, a nonprofessional community theater located on the “Cultural Coast” of Florida which offers an incredible pool of talented workers and performers. For 89 years, The Players Centre has been dedicated to presenting a diverse and entertaining slate of quality, volunteer-driven theatrical experiences that educate, stimulate, and enrich the entire community. We will tour the theater, including “behind the scenes.” Long ago, they outgrew their facilities — both the interior and the parking lot. We will inquire as to their plans for building in Lakewood Ranch, including a projected timeline.
