### Hawks Academy Summer Work Incoming 7th Grade 2019-2020

The required Summer work assignments were discussed and put onto Ms. Driza's OneNote notebook two-weeks **prior to Summer Break** during the 6th grade school year.

**Task 1: The Giver Community Project:** What would be special about your community that would make other people want to join it? Please view the document titled: "The Giver Summer Work" if an additional copy is needed. Remember: This project is **persuasive!**

**Task 2:** One choice book is **required** for summer reading. This should be any book that is **NEW** to you and **SPARKS** your interest. Be prepared for a **book talk** based on your choice book during the first week of school. This is a grade-appropriate book of your choice that you would like to read.

If you have any questions, comments, or concerns, please feel free to contact Ms. Driza.
