Hawks Academy Summer Work Incoming 6th Grade 2019-2020

Required title- Please note that the 6th Grade required titles are available for free through Public Domain.

- *Aesop's Fables* - a collection of **20** or more titles (incoming **6th graders only**)

While you are reading, keep a journal by logging the fable title and recording a one-sentence summary of that particular fable. Make sure that you record an accurate summary statement for each fable you read. Additionally, write the moral of each fable that you read. Be prepared to submit this journal on the first day of school

In addition, students are to read *Tangerine* by author Edward Bloor. PDFs of the novel are available online for free. Students can also choose to purchase their own copy of the novel. Students are to complete the *Tangerine* guided questions for the novel to ensure comprehension. The guided questions are located in the **Incoming 6th Grade Hawk Summer Work folder under the school resources tab on the district McIntosh Middle School website**. These answers can be either typed (Times New Roman, size 12 font) or written on a separate sheet of paper with clear headings that show the page numbers that correlate to the questions.

Last, students are to complete attached grammar lessons under the **school resources tab on the district McIntosh Middle School website**. They will be located in the **Incoming 6th Grade Hawk Summer Work folder**. Please print out the grammar lessons and be prepared to turn them in upon your return from Summer Break.

Due to the fact the unit that we are going to be studying this year is based on choices and consequences, we **suggest** choosing a choice book that SPARKS your interest over the Summer. **This is only a suggestion.**
