

Legacy Planning Services

Why do I
need to make
a will?

Can I pre-plan
my funeral?

How can I
distribute my
personal assets?

What should I do
after the death
of a loved one?

Planning for a life well lived

The Legacy Planning Services program provides online information designed to help individuals and families work through end-of-life issues when dealing with the loss of a loved one or planning for their own passing. These services are available to all insureds, active or retired, and their spouses and dependents.

You can find the information you need for your situation in one of two tracks: legacy planning or final arrangements.

What legacy planning information is available?

End-of-life issues can be difficult to think about and discuss with loved ones. Putting wishes in writing will make them easier to share. Planning helps prepare for the orderly disposition of gifts to heirs or charities and can also help address unexpected issues such as critical illness. Topics covered include:

- Asset distribution
- Last wishes
- Estate plans
- Last will and testament
- Power of attorney
- Health care directives
- Beneficiary designations
- Document locator

What final arrangement information is available?

Planning a funeral or memorial service can be difficult, both emotionally and financially. It can also be an important way to honor the life of a loved one and to help bring closure for those who mourn.

Legacy Planning Services offers information to help guide you through the process - whether planning an immediate funeral or pre-planning. Topics covered include:

- Planning considerations, such as locating documents, choosing burial or cremation, and notifying family members
- Paying for a funeral or memorial service
- Filing an insurance claim
- Survivor resources, including a survivor checklist

How can I assign benefits directly to the funeral home?

Our Express Assignment™ funeral home assignment service reduces concern about paying funeral expenses. Once notified of the request, we expedite validation of the coverage and beneficiaries so that benefits can be assigned directly to the funeral home to cover expenses. When the life insurance proceeds are paid, the assigned portion will go directly to the funeral home.
