

CHAPTER 2.00 - SCHOOL BOARD GOVERNANCE AND ORGANIZATION

BULLYING AND HARASSMENT

2.70*

I. Statement Prohibiting Bullying and Harassment

- A. It is the policy of the Sarasota County School District that all of its students and school employees have an educational setting that is safe, secure and free from harassment and bullying of any kind. The District will not tolerate bullying and harassment of any type. Conduct that constitutes bullying and harassment, as defined herein, is prohibited and disciplinary action will be taken. Any reference to “bullying” includes cyberbullying, whether or not specifically stated.
- B. The District upholds that bullying or harassment of any student or school employee is prohibited
- during any education program or activity conducted by a public K- 12 educational institution;
 - during any school-related or school-sponsored program or activity;
 - on a school bus of a public K-12 educational institution;
 - through the use of data or computer software that is accessed through a computer, computer system, or computer network of a public K- 12 education institution; or
 - through the use of data or computer software that is accessed at a non-school–related location, activity, function, or program or through the use of technology or an electronic device that is not owned, leased, or used by a school district or school, if the bullying substantially interferes with or limits the victim’s ability to participate in or benefit from the services, activities, or opportunities offered by a school or substantially disrupts the education process or orderly operation of a school or department. This paragraph does not require a school to staff or monitor any non-school-related activity, function, or program.

II. Definitions

- A. Bullying includes cyberbullying and means systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees. It is further defined as unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by a student or adult, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual’s school performance or participation; and may involve but is not limited to
- teasing;
 - social exclusion;

Cyberbullying includes the creation of a webpage or weblog in which the creator assumes the identity of another person, or the knowing impersonation of another person as the author of posted content or messages, if the creation or impersonation creates any of the conditions enumerated in the definition of bullying. Cyberbullying also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons, if the distribution or posting creates any of the conditions enumerated in the definition of bullying.
- C. Harassment means any threatening, insulting or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a student or school employee that

III. Behavior Standards

The Sarasota County School District expects students to conduct themselves as appropriate for their levels of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities, and the care of school facilities and equipment.
- B. The District believes that standards for student behavior must be set cooperatively through interaction among the students, parents/legal guardians, staff, and community members producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for District and community property on the part of students, staff, and community members. Because students learn by example, school administrators, faculty, staff, and volunteers will demonstrate appropriate behavior; treat others with civility and respect, and refuse to tolerate bullying or harassment.

IV. Consequences
