I know I am following the dress code when I do not have to ask myself, "Can I get away with wearing this?"

Officer Cooley's Corner

If you are picking your student up from school at dismissal, please use the parent pick-up line. If you need to pick up your student for an appointment or early dismissal, please come in to the office to sign them out. I want to remind all parents that vehicles are not allowed to stop on Panacea Blvd. to drop off or pick up students. Blocking traffic on any roadway is a huge safety concern and will be strictly enforced by law enforcement. Our goal is to get everyone on and off the campus safely. Please join us in this effort by following the proper drop off and dismissal procedures.

Counseling Corner

The School Counselors have been busy welcoming back the students to WMS and getting familiar with new faces.

As always, Thank you Ms. Tuggle

Welcome Back to School Procedure

We have had a great start to the new school year! This is just a reminder that the afternoon parent pick-up line begins at 4:15 pm each afternoon. It is important that students are picked up on time. Also, a huge thank you to our many parents who pick up their students on time each day.
