

Attention all Brookside Parents!!!

Online Student Reregistration

You can get started now! Just go to Brookside’s website – Go to the Student + Parent dropdown menu – Then click on **ONLINE Student Reregistration**. It’s that simple.

The screenshot shows the Brookside Middle School website. The browser address bar displays "http://sarasotacountychools.net/schools/brookside/". The page header includes the school name "Brookside Middle", phone number "941-361-6472", and a "Map it." link. A dropdown menu is open, showing options: "Students + Parents", "MySCS", "ONLINE Student Reregistration" (highlighted), "Parent Portal for Grades", "Blackboard LEARN", and "Office 365". The main content area features a large photo of students in a library, a smaller photo of the school building, and a profile for Principal Matthew Gruhl. The footer contains sections for "Announcements" (with "FSA Testing Calendar"), "Upcoming Events" (with "View School Calendar" and "District Calendar"), and "Brookside Staff Directory" (with "Gruhl, Matthew-Principal").

The online Re-registration requires a “Snapcode” for each student, which has been sent out via email to all registering parents who have an e-mail address on file.

This information has also been sent to registering parents via letter.
