Description of how council membership reflects ethnic/racial and socioeconomic community served by the school and of efforts to include them: The SAC community works hard to ensure that our membership mirror the racial ethnic comparison of the student body. This is a goal this year for the SAC Community. Second, per Operational Guidelines, a vote is required if several members want to join and space is limited due to balance of the staff-to-community ratio. If the ratio is not a concern, staff members are automatically invited to join.

Describe the election process of each group except "other citizens." For this group, describe the selection process.

Teachers (includes counselors, media specialists, etc.): First, teachers are invited to join SAC by their department head.

Classified:

The classified SAC rep is chosen by the principal based on the experience and expertise of the classified staff.

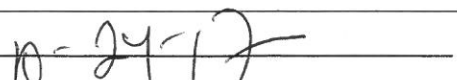

Parents: Parents are recruited through SPIN and Open House and are given the option to join. Parents can also be recruited by other SAC members.

Other Citizen: Citizens from the community are invited to join SAC if they have an interest in working with the school. Primarily, citizens are invited to join by word-of-mouth from another SAC member. In addition, the principal seeks citizens to help based on the interest level of the potential SAC member.

Students: Clubs and organizations are requested to recommend the student who is best qualified to be on the SAC committee.

Chairperson: The chairperson is elected by the entire SAC membership. Nominations are called for at a meeting and then a vote occurs to elect the SAC chairperson.
