

Benchmark Assessments

The benchmark assessments are offered two times per year, at the end of Quarter 1 and the end of Quarter 2. The tests are linked to the Instructional Focus Guides, and cover the standards as listed within the IFGs. The tests are one class period in length, and have between 10 and 60 questions.

For Elementary Schools:

Science Grade 5

For Middle Schools:

Life Science
Earth Space
Physical Science
Biology
Civics
Algebra 1
Geometry

For High Schools:

Algebra 1
Algebra 2
Geometry
Biology
US History
