2017-2018 SCHOOL PROFILE | BOOKER HIGH SCHOOL

MISSION

Booker High School will establish an environment, including unique programs offering opportunities to a diverse population, which enables all students to become critical thinkers and develop skills and values for maximizing their potential.

VISION

100% of Booker High School students will graduate college or career ready and become productive members of our society.

BOOKER HIGH SCHOOL is located on the north end of Sarasota County, and the new \$58 million campus was opened in the winter of 2013. The campus is replete with state-of-the-art classrooms and studios, technology and science labs, and athletic facilities, along with a professional-quality theatre.

- The Booker High School Visual and Performing Arts (VPA) magnet program attracts students from around Sarasota, Manatee and Charlotte counties, providing rigorous pre-professional instruction in dance, digital film and motion design, music, theatre, and visual art.
- The VPA season includes more than a dozen events on the main stage and art studios, earning the program district-wide acclaim.
- Booker High School provides students with rigorous academic classes through the Cambridge University AICE (Advanced International Certificate of Education) program.
- AICE offers a comprehensive college-preparatory curriculum and the opportunity to earn college credit in high school through mastery of AICE exams.
- Students may also elect to take Advanced Placement or on-campus Dual Enrollment courses.
- The JROTC program at Booker High School offers training in leadership, accountability, teamwork and logistics.
- The CTE (Career and Technical Education) program at Booker offers courses in digital design, hospitality and tourism, business and entrepreneurship, and engineering and robotics.
- The Law Academy, part of the CTE cluster, offers two tracks: criminal justice and constitutional law, earning students industry certifications before high school graduation.
