Beans vs Rice

I bet you thought that the football season was over. Not just yet! It's not over till you hear who won the last game. The last game at LNS was the game between Beans vs Rice. Between February 6th and February 20th, elementary students and middle school students competed in an intense battle to see which group would collect more food for the All Faith's Food Bank. The elementary students collected beans and the middle school students collected rice. The season of giving is not over but this football game is and the winner was....

Rice (THE MIDDLE SCHOOL STUDENTS)!!!

Really the winner is every person that will be helped due to the efforts of the outstanding elementary and middle school students here at Laurel Nokomis School.

School Choice Application Period Still Open and Tours Scheduled in March

Florida's school choice program allows parents to choose the best educational setting-public or private-for their child. School choice application forms are currently available at all public schools and at selected daycare facilities, or by contacting the Office of School Choice at, {991} 417-9000, ext. 32255.

Laurel Nokomis School will host its **final School Choice tours at 9:00AM on March 6th and at noon on March 7th**. Due to the high demand for school tours, tours will only be scheduled during these days and times to minimize disruption during instructional hours. Please contact the front office if you have any questions.

Beginning in the 2017-2018 school year, parents/guardians residing in Florida can apply to have their grade K-12 students attend a public school in any school district within the state through Controlled Open Enrollment (COE), also called "Regular School Choice." Parents/guardians interested in COE for other Florida districts are responsible for directly contacting the districts of interest to learn more about their

policies, timelines and application procedures. Transportation is not provided for students receiving a school choice assignment through COE. Parents/guardians are responsible for transporting their child to and from school.

Parents who would like their children to attend a Sarasota County public school in 2016-17 other than their districted school are invited to submit a school choice application from Monday, Feb. 13th, **through Monday, March. 20, 2017**. [More information about the application process will be available after February 7, 2017 at this link](#). A list of Open/Closed Schools will also be made available at that same link.

Terrific Tuesday: LOLLIPOP-A-WINZA

Your kids won't want to miss the "all new" Lollipop-a-winza Terrific Tuesday Fundraiser sponsored by the LNS PTO on March 7th. What is it?

Students pay purchase tickets from their teacher before lunchtime. They bring their tickets to the cafeteria for a chance to choose one "Original Gourmet Lollipop" for each ticket. If they choose a lucky lollipop, they win big prizes. Over 50 prizes will be offered. Big winners get a chance to play "Plinko" and win a Lollipop-a-winza super prize from the LNS PTO! All funds raised support Laurel Nokomis School.

"Original Gourmet Lollipops" maintain the title of "WORLD'S BEST" lollipop. They are the largest 1.1 oz gourmet pops sold with 24 bold tastes and bright colors such as Strawberry-Banana, Pink Lemonade, Orange Creamsicle, Watermelon, Blue Raspberry and many more!

LNS PTO Receives Check from Wawa

The Laurel Nokomis PTO moms got an opportunity to use their "hoggie-making" skills at the grand opening of the new Wawa on Jacaranda by the expressway. They competed in a hogie making contest between the LNS PTO, the local fire station and the South East Scleroderma Foundation. The firemen won the competition and a trophy. However, Wawa also awarded \$1000 checks to all three participating organizations. The donation to the PTO will be used to benefit Laurel Nokomis School.

ELEMENTARY SCHOOL NEWS

3rd Quarter AR Reward Party

The Buccaneers will be coming to LNS on March 9th for our Accelerated Reader (AR) Reward Party! Since this is before the end of 3rd quarter, students who have 90% of their 3rd quarter AR goal (with an average of 80% or higher) will be eligible to attend. The students will be going to 5 different stations doing Play60 drills with some of the Tampa Bay Buccaneer players. One of the stations is where they will be touring the locker room/bus. Its not to late to qualify to participate. Tell your kids to read, read,

That's not all.....

Did you know that there is also a third quarter Accelerated Reader Bicycle Drawing? The Venice-Nokomis Elks Lodge 1854 has graciously donated a total of fifteen bicycles of various sizes and styles to our school. Laurel Nokomis School would like to give a tremendous thank you to the Venice-Nokomis Elks Lodge 1854. Each kindergarten through Fifth Grade student that meets or exceeds their Accelerated Reader Goal for the third quarter will be entered into a bicycle drawing. If your student's name is drawn, your family will be notified and you may choose your bicycle at a predetermined date and time in the Media Center. It is important to remember that if your student's name is drawn, you are required to pick up your bicycle in person. Parents please take this opportunity to discuss your student's Accelerated Reader Goals and encourage them to spend time at home reading! "The more that you read, the more things you will know. The more that you learn, the more places you'll go." - Dr. Seuss, "I Can Read with My Eyes Shut!"

Preparing for the FSA

The Florida Standards Assessment (FSA) Testing is underway!!! On March 28 and March 29, 3rd Graders will be taking the FSA English Language Arts Assessment Test.

Here are some tips for preparing your child for the FSA put together by the guidance office at one of the Sarasota School District Elementary Schools:

1. Encourage your child to do his/her best!
2. Prevent Test Anxiety Some people feel anxious or worry about tests. Some forms of test anxiety include feeling nervous, upset stomach, not being able to concentrate, negative thoughts and having difficulty remembering facts. Some strategies for dealing with test anxiety are listed below.
3. Think positively! Researchers have found that when students believe they will do well, their scores go up. If you start to have negative or bad thoughts about yourself, think about something positive, like the times when you have done well at a hard task. Or, reframe the thought into a positive thought, I know this is hard but I can do it or all that is important is that I do my best.
4. Practice relaxation techniques before the test Belly Breathing ... Breathe in as

much air as possible through your nose holding the tip of your tongue on the roof of your mouth until your lungs are full while holding your breath (3-5 seconds), lower your tongue and exhale slowly through your mouth. Repeat several times. Mindfulness exercise... Close your eyes, think about relaxing your toes, then your feet, then your ankles and work your way slowly up to the top of your head. Listen to your breathing as you slowly and deliberately in- hale an exhale. Listen to the sounds around you.

5. Pacing and Timing Techniques - Good test takers learn to manage their time well.
 - o Don't waste time. Skip questions that you are unsure of, go back to them at the end of the test.
 - o Read the directions, questions and answers carefully. Keep track of time.
6. Take care of the basics:
 - o Eat a balanced breakfast.
 - o See that your child gets the recommended amount of sleep; for elementary aged students (10- 11) hours per night.

MIDDLE SCHOOL NEWS

[Middle School Health Requirements](#)

I know that during Spring Break the last thing your middle schooler will want to do is to

take vaccination shots. However, that really is a good time to do it. Especially if your student is currently in 6th grade. There are a number of shot that they will need to have before they start 7th grade. Please see the attached flyer about [school health requirements for 2017-2018](#).

[Band Updates](#)

Several LNS students in Band participated in FBA Solo and Ensemble MPA last month at Booker HS, and our LNS students had wonderful performance experiences!

Each student prepared a solo or small ensemble and performed for a music educator and received comments on their performance to help them continue and grow. Our students did very well, and each student that participated in the event earned the highest ratings of Superior and Excellent. This event is not considered a competition with 1st, 2nd, etc place, but one each student has within themselves. There is a sheet that the music educator fills out with a rubric and the student performance is rated among the criteria in different categories. A Superior rating is earned by displaying a high level of musicianship with the rubric and mostly averaging out to be an "A" grade. Each student will receive a medal for earning one of the highest two ratings of Superior and Excellent. Congratulations to all of our students that participated in Solo and Ensemble!

We also had our LNS Jazz Band participate in Jazz Music Performance Assessment last week. They had a great performance on stage, and they earned a Superior rating for their performance. Each student will receive a medal for earning a Superior rating. Congratulations to all of our Jazz Band students!

Our students in 4th and 5th period band classes are preparing for our Concert Music Performance Assessment in April, with a similar process to the jazz band music performance assessment. We prepare 3 pieces of music for a panel of music educators, and they use a rubric to give comments and feedback to help the students with their concert band music. We also sight-read two pieces of music that we have never seen before. More info for Concert MPA sent out very soon.

Lots of great things for our music students! As always, thank you for your support of our students.

SCHOOL DISTRICT NEWS: New School Calendar

An 11-member district committee of school and district administrators, teachers, support staff and parents developed the proposed school year calendars for the 2017-18 and 2018-19 school years. The School Board approved the draft calendars to be advertised to the public at its meeting on Oct. 18 and the public was invited to comment on the proposed calendars until Friday, Nov. 11, 2016.

After the comment period the committee considered any suggested changes and submitted the final proposed calendar to the School Board of Sarasota County for approval. During the regular School Board meeting on Tuesday, Dec. 6, 2016, the School Board voted unanimously (5-0) to approve the proposed calendars for school years 2017-18 and 2018-19. The link below goes to the draft calendars as recommended by the committee; those calendars are now official.

See the proposed calendars for 2017-18 and 2018-19 at this [link](#).

The committee recommended that school in Sarasota County start Monday, Aug. 14, 2017, and end Thursday, May 24, 2018. The following school year, the start day would be Monday, Aug. 13, 2018, and the last day of school would be Friday, May 24, 2019. In both years, the earlier start date would mean that first semesters and related exams at high schools will be completed before the winter break. The schedule for both years also would end the school year before the Memorial Day weekend.
