Topic	Question	Response
Student Information Available	What if I have more than one child? Will I be able to see information on all of my children?	Yes, as long as all of your children are linked to your Parent Portal Account, you will be able to see all of their information within the app when you login.
	I am a student, can I log in and see my information or is this only for my parents?	If you are a student, you can log into the app using your N# and pin. You will also be able to view classes, attendance, lunch balance, and library information.
	I am a grandparent of the child. Can I log in and see information on my grandchild or grandchildren?	If you have custodial or parent rights and access and have created a parent portal account, you will be able to login.
Troubleshooting	The app is not working correctly. What should I do?	Try updating the app if it is not working correctly. You can also delete the app and re-install it.
	I've downloaded the app but I don't remember my Login ID and password. What should I do?	Your username for the app is the same as your Parent Portal account. <u>Your password is unique and must be reset the first time you login.</u> To reset your password, you can click on "Forgot password" at the log in screen and follow the directions displayed. *If your Parent Portal account is your student's N#, you will need to add "APP" to the end of your Login ID. EX: N123456 APP
	What if I notice that my information (telephone number, address, etc.) is incorrect? Who can I contact to make the change?	If any of the information is incorrect, contact your child's school and follow the school's procedures for changing your contact information.
	How can I login if I do not have a parent portal account?	Please create a parent portal account and wait 24 hours before trying to login to the app.
