

Good morning Sarasota Middle School Today is Wednesday, January 16, 2019

A few words of wisdom to start your day-

Do you struggle with fear from time to time? Experiencing fear can be a warning signal that we are in danger, and we certainly don't want to ignore it! But there are times when we are afraid and it is because we are feeling challenged or insecure.

Former first lady, Eleanor Roosevelt, once offered this advice for overcoming fear:

You gain strength, courage, and confidence by every experience in which you really stop to look fear in the face. You must do the thing which you think you cannot do.

Her husband, former President Franklin D. Roosevelt, famously said it this way:

The only thing we have to fear is fear itself.

So, don't let the fear that you are not good enough or smart enough hold you back. Today-be unafraid. Then go ahead! You can do it!

Attention students-wish your SMS Panther basketball players good luck as they head to McIntosh Middle School tonight! Games start at 6pm.

Please help promote SMS Builders Club Spirit Night at Tijuana Flats next Wednesday, January 23rd from 5-8pm. Builders Club will receive 20% of sales if guests mention the name of the organization or present the flyer at the register. The money raised will go to aid in assisting the homeless through the Salvation Army.

All busses have arrived on time and all students should be in their 1st period class at this time.

Students, remember our Panther Pact: be Polite, Prepared, Productive and Safe!

Have a wonderful Wednesday!
