

**Good morning Sarasota Middle School
Today is Tuesday, January 8, 2019**

A few words of wisdom to start your day-

Welcome back, students, and Happy New Year!

This is the traditional time of year for making New Year's resolutions. When we make resolutions, we set goals, we are creating a road map into the future.

Today, take the time to write down your goals, we are creating a road map into the future.

Today, take the time to write down your goals for the coming year. When you are writing down your goals, remember these words:

Climb high. Climb far. Your goal the sky. Your aim the stars.*

Then, put the list of your goals in a safe place. When you start to get side-tracked or lost, you can pull them out and remember where it is you want to go and how you want to get there.

The NJHS meeting originally scheduled for this Friday has been CANCELLED! The next meeting will be February 8th.

All busses have arrived on time and all students should be in their 1st period class at this time.

Students, remember our Panther Pact: be Polite, Prepared, Productive and Safe!

Have a terrific Tuesday!
