

Good morning Sarasota Middle School Today is Tuesday, November 13, 2018

A few words of wisdom to start your day-You may have heard the saying,

Every cloud has a silver lining.

True enough, but the silver lining isn't always easy to see. Sometimes we have to take a good, hard look behind, around, and over the dark cloud in order to understand what good might come out of a bad situation.

Someone wise once said:

Good people are good because they've come to wisdom through failure.*

When we learn from our mistakes, the wisdom we gain is the silver lining. So, let's be wise people and let each failure and each mistake be an opportunity to learn and to grow. Today, keep a positive attitude and look for the good, even in bad situations.

Attention Students-there will be a student council meeting tomorrow at 8:30am in room 624. The meeting is for all student council members AND anyone wishing to join. All students are welcome.

These 8 singers will travel to Tampa in January to take part in the Florida Music Conference. They will spend up to 8 hours a day rehearsing with the best of the best singers in the state of Florida. All of their hard work will be showcased at their final concert, which will be held at the Straz Center on January 12th!

Bravo SMS Singers for earning such a fantastic honor!

All busses have arrived on time and all students should be in their 1st period class at this time.

Students, remember our Panther Pact: be Polite, Prepared, Productive and Safe!

Have a terrific Tuesday!
