

# SARASOTA MIDDLE SCHOOL

**PICK-UP/DROP-OFF**  
**IMPORTANT**

SMS Families,

In order to provide a safe environment, we ask that our families follow the traffic flow pattern shown below for parent pick-up/drop-off.

Please respect the No Parking signs along Bliss Road to allow traffic to flow out of the school in a more efficient manner and provide for the safety of our students. We would strongly encourage you to use the Parent Pick-up / Drop-off zone when transporting your child to and from school. For the arrows on the map below, **YELLOW** indicates the entry route, **ORANGE** indicates the bypass loop in case your child isn't visible and ready for pickup, and **RED** is the pickup area and then exit route.

Please refrain from dropping off/picking up students in our designated bus loop/staff parking area or on Ashton Rd.

If you have any questions about the plan, please contact us at 361-6464. THANK YOU for your help in making this process safe for our students, staff, and parents!
