

Sarasota County Mental Health Environmental Scan

You can make a difference. Let your voice be heard.

Attention Teens!

- Are you between the ages of 14-17 years old? Do you want to share your experiences with mental health services?

We want to talk to you!

You may be eligible to participate in a focus group. If you participate, you will be given **\$25** for your time. *Must have parent/guardian permission.

If interested, please have parent/guardian call or email René Anderson at (813) 974-2199 or randers2@usf.edu.

I give permission for you to contact me about my child’s participation in a focus group.

Parent/Guardian Name _____ Child Name _____

Email _____ Phone _____ Best Time to Call _____

Signature of parent _____

By including your phone or email you are giving permission to the USF evaluation team to contact you to provide further information about the study. This does not commit your child to participation in the focus group and in no way affects the services your family is receiving. The focus groups are confidential and your family’s service provider(s) will not know that we have talked to your child.
