April 1, 2019

Dear Parent or Guardian:

Take Our Daughters and Sons to Work Day is a national event held each year on the fourth Thursday of April. This year the date of the event will be April 25. The event provides students in grades 3-12 an introduction to business and commerce, allows them to observe men and women in a variety of roles and responsibilities and reinforces the importance of teamwork and diversity in the workplace. Activities may include shadowing parents or guardians at their workplace, interviewing managers, or engaging in presentations provided by employers.

The Sarasota County School District recognizes this national celebration. Your student's participation will be counted as an excused absence if your employer signs the form below and the form is returned to your student's school on his or her next attendance day.

Thank you,

Todd Bowden, Ed. D
Superintendent
